PROCEEDINGS

- 1 **Governing Council noted the Confirmation of Proceedings of GC meeting dated 31.10.2023**
-

- 2 **Reviewed the compliance report of GC Resolutions dated 26.09.2023**

Discussion & Decision:

The Compliance Report of GC Resolutions dated 26.09.2023 was reviewed in the meeting. The Chairman and Members of Governing Council have expressed their satisfaction for the same.

- 3 **Review of Branches Addition/Deletion process at KLS GIT vis-a-vis AICTE/VTU norms**

Preamble: Based on the present admission trends, we are working on starting of new branches/variation of intake of existing branches.

AICTE/VTU have not yet come up with new guidelines for academic year 2024-25. Once they are available, a proposal in this regard will be presented in the subsequent GC meetings.

Discussion & Decision:

GC noted the details placed in the meeting.

The matter would be taken up for discussion once AICTE / VTU guidelines for the academic year 2024-25 are released.

Matter is referred to KLS BOM for its information.

4 Minors via Certification at KLS GIT in areas such as:

- **A.I./M.L.**
- **Other emerging fields**

Preamble: To give opportunity to students of all branches to learn emerging/adjacent technologies beyond prescribed syllabus to become a truly multi-disciplinary BE degree, KLS GIT proposes to offer Certification Courses while the matter of offering online only electives to qualify for Minor Designation as proposed under the VTU scheme is thoroughly studied.

Development so far:

- A. The courses planned to be offered as part of Minors program have been offered as Open & Professional Electives (3 Credit course) in the 5th, 6th & 7th semester for B.E. students. They include the following:**
- i. Artificial Intelligence & Machine Learning ii. AI & Machine Vision iii. Cybersecurity iv. IOT v. 3D Printing and vi. Electric Vehicles
- B. Few courses on 3D Printing, Python programming, IOT etc. are being offered to 3rd, 4th & 5th semester students as Ability Enhancement Courses (AEC) for 2021 & 2022 scheme.**
- C. As part of the IIT Bombay MOOCs certification program, some hands-on courses are also being offered as part of Course project, they include:**
- i. Python Programming ii. C, C++, Web Programming and iii. MATLAB
- D. Few Certification programs have already been conducted for students namely:**
- i. 3D Printing ii. Nanotechnology iii. Principles of Aesthetics and iv. Interior Design

Rationale for Offering Certification courses:

To enhance employability skills and impart knowledge in emerging areas that are usually not being covered in the Undergraduate Degree credit framework:

- To expand the domain knowledge of the students in one or more areas beyond their chosen branch of study.
- To provide an academic mechanism for fulfilling the multidisciplinary demands of industries.
- To increase the employability of undergraduate students keeping in view better opportunities in interdisciplinary areas of engineering & technology.
- To offer knowledge in the areas which are identified as emerging technologies / thrust areas of Engineering.

Guidelines for the Certification courses:

- i. The emerging technologies courses would be offered as Certification courses to improve the student knowledge and skills during the vacations.
- ii. It would be offered to the 5th semester students (2021 scheme onwards) as a 30 to 40 hours course.
- iii. A CGPA of 6 and above is required to register for the Certification course.

Held on Tuesday, November 07, 2023, at 04.00 P.M. in Governing Council Room of KLS GIT

- iv. The Certification course would be conducted in the vacation for a period of 1 to 2 weeks (4 to 5 hours daily in 2 sessions).
- v. The sessions would be consisting of theory classes and hands on experience (in labs).
- vi. Students would be encouraged to bring laptops to class in order to reduce the load on CC resources & promote the BYOD model for better interaction & learning.
- vii. The sessions would be engaged by 2 faculty members ideally (max 3) working in the CoE, lab or the emerging technology.
- viii. Wherever possible, 1 external expert could also be involved from local start-ups or industries working in the emerging technology.
- ix. No credits would be associated with the certification courses.
- x. The batch size should consist of a minimum of 30 students in order to run the certification course. A maximum of 60 students can be enrolled for a course.
- xi. Attendance rules will be as per VTU norms
- xii. Examination pattern can be MCQ type, written, viva voce, project based or hands on/ practical oriented based on the type of certification course.
- xiii. Grading in the certificate will be based on the Absolute system being followed for 2021 & 2022 scheme. Letter grade will be printed on the certificate based on the marks scored.
- xiv. The Introduction/Orientation session to Certification courses would be given after the 2nd IA test followed by registration by the students after paying the full fees.
- xv. It is proposed to collect the following fees for the Certification programs.
 - a. ₹ 1,000 for KLS GIT students
 - b. ₹ 2,000 for external students/participants
 - c. ₹ 3,000 for Industry participants
- xvi. In case of request for refund of fees, Governing Council -KLS GIT will look into it on a case basis.

List of Certification courses (Duration: 30 to 40 hours during vacation):

Sl. No.	Certification Course	Eligibility	Offering Department/ CoE / Vertical	Prerequisites
1	Artificial Intelligence & Machine Learning Applications	5 th , 6 th , 7 th sem BE students	AI & Cyber Security vertical (CS ,EC, IS, MCA)	Basics of Python programming & Mathematics involving statistics, probability.
2	Cyber Security	5 th , 6 th , 7 th sem BE students	AI & Cyber Security vertical (CS ,EC, IS, MCA)	Basics of Computers, Internet, Networking & Python programming
3	Cognitive Computing & Visual Perception	5 th , 6 th , 7 th sem BE students	E & C Engg.	Basics of Mathematics and Programming
4	Electric Vehicles and Mobility	6 th , 7 th sem BE students	Mechanical Engg and Electrical & Electronics Engg	Basics of Electrical Drives

The way forward:

- Departments have to work on the Certification course contents (syllabus) in order to make it interesting and enhance the hands-on experience.
- Departments have to identify the faculty members & External experts (if any) to offer the certification course.
- Approval from the Academic council needs to be taken in the December meeting scheduled on the Graduation Day.
- Publicity of the Certification courses needs to be made in social media, through student WhatsApp groups & displaying on college website.
- Orientation session to be conducted for students followed by registration & fee payment after 2nd IA of every semester.
- Float the Certification courses in the vacation following the odd & even semester.

Discussion & Decision:

GC noted the above-mentioned details placed in the meeting. It was resolved as follows:

- i. Dean Academics – Development is advised to necessary steps to offer Certification Courses for students of KLS GIT and come back with Certifications offerings schedule by end of November 2023.
- ii. GC also noted that VTU issued on 23/Sep/2023 Amended Regulations Governing Award of Minor at B.E. / B.Tech. Degree Programs. A thorough study of the same and a related report is to be placed before the GC before the end of November 2023.
- iii. To explore Data Analytics as a certification, course and also offering diploma in relevant areas.

Matter is referred to KLS BOM for its information.

5 Discussed about lateral entry admissions for the academic year 2023-24

Preamble:

a. Details of the seat available under Lateral Entry Admissions are as under:

Sl. No.	Branch	Approved First Year Intake 2022-23	Lateral Entry Intake 10%	Unfilled seats 2022-23	Total Lateral Entry seats	Fees approved in Lakh ₹	
						DCET	MGMT
1	Aeronautical Engg	60	6	8	14	1.11796	1.11796
2	Civil Engg.	120	12	52	64	1.11796	1.75
3	Computer Science and Engg	180	18	0	18	1.11796	3.00
4	Electronics and Communication Engg.	180	18	0	18	1.11796	3.00
5	Electrical and Electronics Engg.	60	6	0	6	1.11796	1.50
6	Information Science and Engg.	60	6	0	6	1.11796	3.00
7	Mechanical Engg.	120	12	38	50	1.11796	1.75
Total		780	78	98	176	-	-

b. Guidelines for Lateral Entry Admission:

As per Consensual Agreement, all first-year vacant seats in same branch can be offered by the College to diploma students at the 3rd Semester level, as lateral entry admissions. These seats can be filled by Institute management.

Further as per last year draft seat matrix the vacant seats were included in the seat matrix and some issues were created as we had to cancel few branch admissions.

But as per current year draft seat matrix published on KEA website on 13.10.2023:

- i. **Lateral Entry Intake 10% of Sanctioned Intake (78 in total) are included in the seat matrix.**
- ii. **Unfilled seats (Management Quota) from 2022-23 (98 in total) are not included in the seat matrix.**

c. Fees for DET Toppers' admission under Lateral Entry

Per BOM Res. 12 dated 17.03.2023, the following fee waiver for D-CET Toppers is approved:

Sl. No.	D-CET Rank	Fee waiver
1	Less than or equal to 100	100% of full tuition fee
2	101-200	75% of full tuition fee
3	201-300	50% of full tuition fee

d. Fees for admission under Lateral Entry to the students of KLS VPP:

BOM resolution No 68 dated 03.09.2022 states: *it is approved to collect DCET Fees around ₹ 1.1 lakhs (approx.) instead of ₹1.75 lakhs (current year fees), for the students of KLS VPP who seek admission under Lateral Entry to 3rd Semester B.E. Mechanical Engg and B.E civil Engg under Management Quota.*

Discussion & Decision:

GC noted the details placed in the meeting.

GC also noted the fee waiver for meritorious diploma students approved by BOM vide BOM Res. 12 dated 17.03.2023.

After discussion, it is hereby resolved that:

- a) The Lateral Entry for Unfilled Seats (Management Quota) admission process may be started only after obtaining clarity from KEA/DTE.
- b) CET fee of ₹ 1,11,796/- may be fixed to KLS VPP students who take lateral entry admission under Unfilled Seats (Management Quota) to Civil, Mechanical and Aeronautical branches of KLS GIT for the academic year 2023-24.

Matter (a) is referred to KLS BOM for its information.

Matter (b) is referred to KLS BOM for its consideration and approval.

6 Discussed about the proposal received from Ar. Aditi Pai regarding master plan for campus development

Preamble:

- As per BOM Res. 18 dated 01.07.2023, BOM has accorded approval to explore the possibility of hiring the services of professional architect including the services of Ar. Aditi Pai to finalize the Site Master Plan.
- Accordingly, HOD-Architecture has contacted Ar. Aditi Pai and briefed about the BOM decision to her. In response to the same, following details were requested by Ar. Aditi Pai, Co-Founder and Principal Landscape Architect:
 - i. Location of site
 - ii. Drawing of the overall site with areas
 - iii. Scope of work (Masterplan, Architecture + Interiors, Landscape)
 - iv. Details of buildings with the Purpose, desired building sizes / No. of students
 - v. Specific requirements in the Masterplan (if any) - Amphitheatres, Food plazas etc
 - vi. Any other additional information that could be helpful for the design brief.
- Further, as per GCR No. 16 dated 22.08.2023, GC permitted HOD-Architecture to provide necessary details to Ms. Aditi Pai. Accordingly, HOD-Architecture has provided the necessary details to Ar. Aditi Pai.
- Now, we have received proposal from Ar. Aditi Pai regarding master plan for campus development. The same will be placed in the GC for its consideration.

Discussion & Decision:

Matter is deferred to next GC meeting.

GC directed HOD Architecture to put up the proposal regarding campus development in next GC meeting.

7 Discussed about the date & guest for Graduation Day – 2023

Preamble: It is proposed to conduct Graduation Day – 2023 in the 2nd week of December 2023. In this regard, it is required to finalize the guests for the 7th Graduation Day and subsequently the dates so as to complete the preparation of the function in time.

COE has identified some of the High-profile Academicians and Industrialists for the same as per the suggestions in the HoD Meeting.

Identified Chief Guest list is as follows:

Sl. No.	Name	Designation	University/ Organization
1	Dr. Mrs. Sushma S. Kulkarni,	Vice Chancellor,	NICMAR University, Pune
2	Prof. B. K. Mishra	Director	IIT, Goa
3	Prof. O. R. Jaiswal	Director	NIT GOA
4	Prof. G. Viswanathan	Director	VIT, Vellore
5	Prof. Venkappayya R. Desai	Director	IIT, Dharwad

Identified Alumni Speaker list is as follows:

Sl. No.	Name	Designation	Organization	Is Alumni
1	Mr. S A Doshi	Managing Director	Sparkline, PUNE Maharastra	Yes (1984)
2	Mr. Vipul Surana	Executive Director	AECOM	Yes

GC is requested to guide us on finalizing the date and guest for Graduation Day – 2023.

Discussion & Decision:

GC noted the details placed in the meeting.

Tentatively, GC permits to discuss with Dr. Mrs. Sushma S. Kulkarni and Mr. S. A. Doshi to be the guests for Graduation Day 2023.

Matter is referred to KLS BOM for its information.

8 Discussed about proposed Teaching Learning initiatives

Preamble: In order to strengthen the academics, following Teaching Learning initiatives are proposed:

- **Encouraging the students having laptops to get and use in the Class and Labs (Discussed with 1st year B.E – 2023 batch students and the respective faculty members)**

Benefits:

- Facilitate the students for Practice Based Learning
- More number of problem statements can be given for practice
- Exposure to various programming sites
- Influence other students to get the laptops

- **Motivating the Higher Semester students to be part of the lab for the lower semester students. Discussed with the CRs of 7th and 5th semester**

Benefits:

- Peer learning
- Refreshing the basics- Advantage to the students in case of programming lab or computer-based labs
- Opportunity for students of higher semester, especially 7th semester students, to share their placement experience.

- **Training the Technical staff in the domain involved in the lab. Benefits:**

- Enhance their technical skills
- Assist the faculty members in conducting the labs

- **Industry expert talk – Two talks per semester instead of expert talk per course per division.**

Benefits:

- Common Industry expert talk for all the students of that semester
- Facilitate to invite the industry expert from reputed organization
- Focused area based on the industry trends

- **Faculty on visiting basis for the Engg. disciplines:**

- **Retired faculty from institutes of National repute : through reference**

Benefits:

- Faculty requirement in a specialized course can be met
- Good opportunity for the students to learn and interact
- Help to connect to their earlier institutes or the institutes where they are working with
- One/ Two faculty members can be associated as mentee which will help in research, publications and submission of funding proposals

- **Streamwise Verticals in the areas of Emerging Technologies; Ex: AI, Cybersecurity, Embedded systems, Advanced manufacturing techniques, Electric Mobility, Nanotechnology etc.**

Benefits:

- Faculty from various departments working in a particular domain can be brought together.

- Focused work and responsibility.

- **Consultancy: Consultancy Cell is established**

- **Established Consultants, Alumni and Academicians as Mentors**

Benefits:

- Help the institute to get the consultancy work
- Guide and train the faculty for consultancy services
- Students can also be involved in the consultancy work

- **Training faculty for consultancy**

Benefits:

- Confidence to take up industrial consultancy
- Add value to the academics and to the department

- **Regarding PG Courses:**

M.Tech in	Sanctioned Intake	PGCET (KEA) quota	Management Quota	Filled under Mgmt.	vacancy	WL

Machine Design	18	15	3	3	0	0
CSE	18	15	3	2	1	1(Enquiry)
DCN	18	15	3	0	3	0

- **Meeting of HoDs of departments having M.Tech. program was conducted.**

Actionable points being initiated:

- Separate Short Videos (2-3 minutes duration) for each of the following to be prepared (To be posted on the Social Media and College website)
 - About the department and infrastructure in general – By HoD
 - About M.Tech program and Curriculum mainly focusing on skill building areas – By **HoD/ M.Tech. Faculty**
 - Present students
 - M.Tech Alumni working in industries : Few are received.
- Combined Flyer highlighting the features of M.Tech program
- Article about M.Tech. programs and the advantages of pursuing at KLSGIT
- PG Awareness program (M.Tech., MBA and MCA) : After the declaration of PGCET results.

Discussion & Decision:

GC noted the details placed in the meeting.

GC appreciated the initiatives and permitted Principal – KLS GIT to implement the same within the framework of rules and regulations of bodies like AICTE/VTU.

Matter is referred to KLS BOM for its information.

- 9 **Considered the proposal regarding finalization of agency for renovation work of Green Rooms and Toilets of Silver Jubilee Auditorium submitted by Dean Infra. & Planning (Amount involved : ₹ 3,00,000/-)**

12 Discussed about the appointment of Assistant Professor in Aeronautical Engg. Dept.

A. Recruitment of faculty members on contractual basis on an immediate need

B. Proposal for having visiting faculty in the department

Preamble: HOD-Aeronautical Engg. Dept. submitted the following proposals:

A. Recruitment of faculty members on contractual basis on an immediate need:

Aeronautical Engineering Department started in the year 2017 with an intake of 60 students. In the year 2018, the department had a total of four faculty members on board. The recruitment of faculty was taking place continuously. However, the faculty retention has been problem due to various reasons.

- i. The untimely demise of HOD, Dr. T. R. Anil.
- ii. Resignation of Dr. Prahlad Joshi due to family relocating to Bengaluru.
- iii. Resignation of HOD Dr. Kamlesh Kulkarni,
- iv. Resignation of Mr. Adarsh Krishnamurthy,
- v. Resignation of Ms. Rolly Pathak.

Presently, there are six faculty as against the required 12.

Currently, department has a total student's strength of 226 out 240 for all four years and department has only six faculties in the department. Since the existing faculty members are overloaded, it has become challenge to run the department.

As per norms, the department need 1 professor, 1 associate professor, and 4 assistant professors who are specialized in the aeronautical/aerospace field. HOD-Aeronautical Engg. Dept. submitted two CVs of:

- i. Mr. M. Shakti Prasad
- ii. Mr. Shyam Sundar

Since all semesters have already begun, it is requested to recruit two faculty on contractual basis for a period of six months on a salary of ₹ 30,000/- pm.

B. Proposal for having visiting faculty in the department

It is proposed to have visiting/adjunct faculty members retired from premier institutions/organizations. This would help us to collaborate with them and enhance our research skills. Their method of approach towards teaching and research would also assist our faculty members and students. This would further assist in taking leads in collaborating with good institutions/organizations and also help in getting sponsored (central govt/private sector) projects which will help us NIRF ranking and other accreditations.

In this regard, Professor B. Dattaguru, Former Professor and Chairman of Department of Aerospace Engineering, IISc., has given the consent to be part of the KLS GIT. The following is a list of anticipated costs for the intended purpose.

During the program, the interns visited all the departments of engineering and architecture. Visit to several laboratories, tour of the technical fest AVALANCHE '23 and interaction with the staff was planned for the interns to help them gather information and make informed career decisions in the future.

The interns had fun with math, tinkered with engineering tools in the Idea to Innovation Lab, and scanned the skies with a telescope in the Astrophysics lab. In the departments of engineering the students saw the robots designed by the students of Mechanical Engineering, visited labs in the Civil Engineering department, saw how telecommunication works in the E&C Engineering department, visited the solar energy station in the campus and saw the projects carried out by students of Computer Science and Information Science Engineering students. The also visited the nanotechnology lab, and the student exhibition at the Architecture department. They were taken on a tour of the technical fest AVALANCHE 2023 to get familiar with the events.

b. Science Hack Day 2023:

Science Hack Day was a three-day event held on 27th, 28th and 29th October 2023, where anyone excited about making weird, silly or serious things with science comes together in the same physical space to see what they can prototype within 36 consecutive hours. Designers, developers, artists, scientists and people from any background are welcome to attend – no experience in science or hacking is necessary, just an insatiable curiosity. The event is organized by volunteers, and supported via sponsors. SHD-India 2023 was the 6th annual event.

The mission of Science Hack Day is simply to get excited and make things with science! People organically form multidisciplinary teams over the course of a weekend: particle physicists' team up with designers, marketers join forces with open-source rocket scientists, writers collaborate with molecular biologists, and developers' partner with school kids. By collaborating on focused tasks during this short period, small groups of hackers are capable of producing remarkable results.

Various Activities that took place at Science Hack Day-23

A. For School Kids (Age group 5-12 years)

- Science Demos, Aero-show, Drones, Fun Games, Rocket Launching, Hands-on Science and maths activities, Paper Circuits, 3D Pens etc.

B. For Young Scientists (5th to 12th std)

- Hands on workshops
- Science toys (Faraday Box - Fun with Electromagnetism)
- Electronics and Soldering - learn basics of electronics with a cool SHD Electronics Box
- Science and Maths demos, Informative sessions, 3D Printing etc.

C. For BSc. and Engineering Students and Physics/Electronics Teachers

- Hands on workshops
- Python 101 - Learn Python programming language basics
- Python for Young Engineers and Scientists - with ExpEYES An Open-Source Science Lab
- KuttyPy Connect to the outside world using Python - Microcontrollers for beginners

D. For Highschool/Pre-University Teams

- Competitive events leading to SHD India Jr Hackers Championship Award
- Capture the flag
- STEAM Games
- Science Demo
- SHD India Challenge.

E. For Science Lovers and Hackers

- Volunteer - Be SHD ambassadors, help hackers and actively engage young kids in various activities
- Mentor - Help us conduct workshops or propose your own hack idea and bring it to reality with a curious team of hackers
