5 Discussed about establishment of Unmanned Aerial Vehicle Lab. (Ref. : BOM Res. 20 dated 02.09.2023)

Preamble: As per BOM Res. No. 20 dated 02.09.2023, BOM has resolved to accord approval in principle for establishment of Unmanned Aerial Vehicle Lab. (UAV Lab.) at the cost not exceeding ₹ 50,12,000/- (₹ 23,00,000/- for Phase-I and ₹ 27,12,000/- for Phase-II). Further, Governing Council-KLS GIT is authorized to call quotations and place the same before BOM for scrutiny. Principal-KLS GIT is directed to take necessary action in the matter.

In this regard, HOD-Aeronautical Engg. Dept. informed that, there are around 32 components in this proposal and department has identified that:

- 1. A minimum of three vendors are available for 25 components,
- 2. One vendor is available for 4 components,
- 3. Computer Centre will handle 2 components and
- 4. GIT Store will handle 1 component.

Discussion & Decision:

GC noted the details placed in the meeting.

After discussion, GC permitted HOD-Aeronautical Engg. Dept. to call the quotations from the vendors as per the details presented in the meeting.

Further, HOD-Aeronautical Engg. Dept. is advised to provide details of vendors' clients especially when there is a single vendor.

Matter is referred to KLS BOM for its information.

7 Discussed about the report on Honors/Minor Programs given by Dean Academics – Development

Preamble: A report in this regard was submitted by Dean Academics – Development (Attached as an Annexure).

- Towards end of September 2023, KLS GIT received the VTU's Joint BOS minutes which stated that, the proposal by GIT to offer Honours/Minors program independently, and in hybrid mode had been rejected.
- Thereafter, VTU, on 16 Nov 2023, issued a notification in which KLS GIT was informed as follows:
 - i. VTU has partnered with EdTech providers like L&T, TCS, Coursera, NASSCOM, DHIO research. etc, to offer online courses to all VTU students as part of minors/honours programs.
 - ii. The fees per course ranges from Rs 3,000 to Rs 10,000.
 - iii. The syllabus will be set by EdTech industries, which will be scrutinized & approved by VTU BOS.
 - iv. The QP will be set by the faculty members.
 - v. The end of program evaluation is likely to be via a proctored examination.

Discussion & Decision:

GC noted the details presented by Dean Academics – Development.

After discussion:

- GC recommended to HOI, Dean Academics, and Dean Administration to make strong and persistent efforts to publicize among students, options available via VTU mechanism, so that as many students as interested could obtain a secondary and meaningful additional domain expertise that would make their prospects for placement, and/or higher studies more attractive.
- The possibility of supplementing afore-mentioned VTU prescribed online courses with a complementary KLS GIT program of hands-on experience was also suggested for exploration in order to make the same an unique experience for our students.
- GC also recommended to HOI, Dean Academics, and Dean Administration to come back to GC by middle of January with a proposal for offering certification programs by department to our students in a manner such that these certification programs could, in most cases, be offered to students of all branches and cover cutting edge domains that are otherwise not covered as part of the typical syllabus.

8 Discussed about the report on Bharat Electronics Limited, Bengaluru submitted by Dean IRDC

Preamble: KLSGIT Team visit to Bharat Electronics Limited, Bengaluru on 12-10-2023. The gist of the report submitted by Dean IRDC is as under:

- **Objective:**

To bridge the gap between the core industries and the academia an attempt by KLSGIT to send students for internship and other collaborative learning at KLSGIT. Also, to explore the upskilling of faculty to meet the industry expertise in short term.

- **Team Members from KLS GIT:**

Sl. No.	Name and Designation	Remarks
1	Shri. Rajendra Belgaumkar, Chairman GC (Engg)	Management Representative from KLS
2	Prof. Dr. M S Patil	I/C Principal
3	Prof Dr. Swetha Goudar	Dean IRDC
4	Prof Dr. S. S Sanakki	Professor from CSE Dept.
5	Dr. Bhagyashree Pandurangi	Associate Professor from ECE Dept.
6	Dr. Sagar Santaji	Assistant Professor and Assistant Placement Office
7	Mr. Purushottam Katti	Assistant Professor Aero. Engg. Dept.

- **Places Visited by KLSGIT team at BEL Bengaluru Complex:**

- i. Main block of Bengaluru Complex: Meeting with the GM HR, who is heading the wing Academic relations to BEL.
- ii. Training Centre for the staff and students with Diploma degree
- iii. Skill Centre for all the verticals of BEL product Development.
- iv. Product Development and innovation Centre (PDIC) the core product research, prototyping and testing is done here before the actual production at the factory.

- **Inputs by the BEL Team:**

1. To initiate:
 - One-month internship to the UG students.
 - Six months' internships to Post Graduates especially from ECE domain.
2. PDIC (Project Development and Innovation Centre) Director:
 - Mentioned KLSGIT to share the innovative Projects done in last few Years.

- **Conclusion:**

The brochure and Projects details need to be shared to the GM HR of BEL to initiate any further collaboration between BEL and KLS GIT.

Discussion & Decision:

GC noted the details placed in the meeting.

9 Considered the proposal regarding offering Certification Course in "Nanotechnology" submitted by HOD-Chemistry

Preamble: Centre for Nanoscience and Nanotechnology would like to float a certificate program in "Nanotechnology".

It is a field that brings together aspects of chemistry, physics, biology, engineering and medicine. The current technologies which use nanotechnology are QLED TV, OLED Screens, Sensors, Advanced Batteries, Super capacitors. Memory devices, water treatment membranes, Nano fluids (Cutting oil/ Coolant oil) etc. Hence, Centre for Nanoscience and Nanotechnology would like to conduct a certificate program to students of KLS GIT and as well as students of any other science and engineering colleges in and around Belagavi.

The main objective of this certificate course is to help students to gain knowledge in the emerging fields of nanotechnology. It also helps KLS GIT in brand building and improving public perception.

It is proposed to charge nominal fees of ₹ 1,000/- per student for this certificate course. Initially the course will be offered to 50 students. The course will be conducted after office hours/Saturdays and Sundays without affecting the regular classes. The tentative dates for conducting this certification course are 2nd January 2024 to 4th February 2024. The Certificate Course in Nanotechnology is approved by 14th Academic Council vide Resolution No.14.8 a dated 29.11.2021 and vide GC resolution No. 21 dated 30.11.2021.

The revenue generated will be shared as per the college norms.

Hence, it is requested to kindly permit us to float this certificate Course.

Discussion & Decision:

GC noted the details placed in the meeting.

GC permits to offer Certification Course in "Nanotechnology" as per the norms of the institute.

- 14 **Considered the proposal regarding purchase of Sliding Headstock (Swiss Type) Automatic Lathe CNC Machine with tooling and stabilizer facility for Machining Center and Precision Machining Lab. submitted by HOD-Mechanical Engg. Dept.**

Preamble: Nowadays in the manufacturing field, there's a lot of technological advancement is happening with the use of modern machines like, CNC, and VMC to improve productivity. To cater to the needs of the hours of modern industries, our students must be exposed to modern machinery viz, CNC and VMC machines. This will help our students in CNC Programming skills, Project-based learning, final-year projects, activity-based learning, and skill development. By introducing these machines in our curriculum in the form of theory and lab our 2nd and 3rd year students of Mechanical and Aeronautical will be having greater advantages compared to neighboring institutes. Students will gain knowledge and hands-on experience on CNC machines, which also results in good placement.

The machines can be used for:

UG: Mechanical/Aeronautical

PG: Design Engineering/IE/CIM

Ph. D: Manufacturing Technology

Expected Outcome:

i) **Academic:**

- For the 3/4/5/6 semester, the CNC programming Lab is introduced in the curriculum.
- Useful for Course projects, and final-year projects of Mech and Aeronautical students
- Hands-on training on CNC Machine for students and staff
- To introduce advanced machining knowledge to students of Mech and Aeronautical students.
- To virtually integrate the concepts of design, drawing, and manufacturing to students.

ii) **Team Building for operations of CNC Machine:**

- Two teaching faculty and two non-teaching staff have undergone one month training in the field of CNC Turning at Karnataka German Technical Training Institute, Belagavi.
- Salient features of training contents :
 1. Pedagogical
 2. Technical
 3. CNC Turing Programming
 4. Hands on training on CNC Turning Center.

iii) **Consultancy:**

- Industry job components manufacturing can be carried out.

iv) **Research**

- Research projects of UG, PG, and Ph. D can be undertaken

16 Considered the proposal regarding procurement of new lawn mowers and brush cutters submitted by Dean Infra. & Planning

Preamble: As per the GC Resolution No. 12 dated 31st October 2023, Dean Infra. & Planning along with the Sports Department enquired and visited a few places where they are using the Electric Lawn Movers and Bush Cutters.

As per their observation and study, heavy duty electric machines with cords (not battery-operated) will be efficient in our case, where we have huge areas to work on.

Even the Energy Cell, KLS GIT said that, the electric supply can be given inside our campus wherever required.

Hence, the electric heavy-duty lawn mower and brush cutters may be preferred instead of petrol engine machines. Following is the revised requirement and estimate:

Sr. No	Item	Required by	Quantity (Nos)	Estimated Cost

21 Considered the office note regarding payment of Group Gratuity for the year 2023-24 submitted by Registrar, KLS GIT

Preamble: We have received a letter from LIC, Dharwad regarding the renewal of Group Gratuity scheme for the year 2023-2024. As per the quotation received from LIC, Dharwad we have to pay an amount of ₹ 78,48,137/- towards the renewal which is due on 01.12.2023.

Last Year, we had paid an amount of ₹ 24,52,256/-. The hike by ₹ 53,95,981/- (₹78,48,137- ₹ 24,52,256) in the premium amount is due to revision of KLS Pay Scale to non-teaching staff (KLS Pay Scale) w.e.f.01.01.2023 and conversion of pay scale from State Govt. Scale to KLS Pay Scale to the non-teaching staff drawing state govt. scale.

Kindly sanction and permit us to make the payment of ₹ 78,48,137/- to LIC, as it is a statutory payment.

Discussion & Decision:

Matter is deferred.

22 Considered the office note regarding Group Insurance Term Policy submitted by Registrar, KLS GIT

Preamble: LIC's Group Insurance benefit is extended to KLS GIT employees with effect from 01.07.1991. Each employee who is beneficiary of the scheme is contributing ₹ 300/- every month and he/she is eligible for survival and death benefit. As on date, 223 employees who have joined prior to 01.04.2014 are covered under LIC's GSLI Scheme (Group Saving Linked Insurance).

The Group Saving Linked scheme has been stopped by LIC, Dharwad since 01.04.2014. Therefore, 243 employees who have joined after 31.03.2014 are not covered under LIC's GSLI Scheme. Various committees such as LIC, NBA, NAAC during their visit at the institution enquire about group insurance. Therefore, it is desirable to extend similar group Insurance benefit to employees who are not covered under GSLI and premium amount may be deducted from the salary of the employee.

23 Considered the proposal regarding appointment of supporting staff at ISE Dept. submitted by HOD-ISE

Preamble: HOD-ISE submitted proposal regarding appointment of supporting staff at ISE Dept. It is stated that, the department is in need of one supporting staff in attender cadre as two of their department staff have retired recently. They are finding it difficult to manage the department with single supporting staff as the class rooms are located in main building and administrative office in IT block. Also the department working hours are from 8.30 am to 5.00 pm, hence they need two staff members to work in two shifts.

Hence, it is requested to consider the request and appoint one Attender in ISE Dept.

Dean Administrative given remarks stating that, "ISE Dept. has one Attender/Peon against a sanctioned strength of two, since 1st November 2022."

Discussion & Decision:

GC noted the details placed in the meeting.

GC accepts the proposal and recommends the same to KLS BOM with a request to accord approval for the appointment of one Attender/Peon for ISE Dept. of KLS GIT.

29 Considered the proposal regarding entering into an MoU with Neuro-Engineering School, Neurosurgery Education and Training School, AIIMS, New Delhi submitted by HOD-CSE Dept.

Preamble: HOD-CSE submitted proposal regarding entering into an MoU with Neuro-Engineering School, Neurosurgery Education and Training School, AIIMS, New Delhi. It is stated that, from the year 2021-22, every year few of our students from the department of CSE, ECE are carrying out the research internships at IIT, New Delhi under the supervision of Mr. Rohan Dhanakshirur, Project Scientist, Ph.D. scholar, IIT, New Delhi. These selections are based on the merit and the subject knowledge of the students and an interview conducted by Mr. Rohan Dhanakshirur.

Internship projects carried out by our students are in the health care domain and projects are done in collaboration with AIIMS, New Delhi. The point of contact Mr. Rohan Dhanakshirur at IIT New Delhi is completing his tenure shortly which may hamper our link to IIT New Delhi for future internships at IIT New Delhi and AIIMS, New Delhi. As suggested by Mr. Rohan Dhanakshirur and as per the discussion held by Prof. Pavan Kunchur, Associate Professor, CSE Dept. with AIIMS Neuro Surgeon Dr. Ashish Suri, the AIIMS is willing to continue this internship program for our future batches with a MOU signed between KLS, Gogte Institute of Technology, Belagavi and Neuro-Engineering School, Neurosurgery Education and Training School, All India Institute of Medical Sciences(AIIMS), New Delhi.

About Neuro-Engineering School, Neurosurgery Education and Training School, AIIMS, New Delhi (NES-AIIMS), New Delhi:

NES-AIIMS New Delhi is a research school for Neurosurgery simulation-based skills training and education, having extraordinary infrastructure, specialized research, administrative and technical staff. NES-AIIMS conducts specialized neurosurgery training programs and research activities in engineering applications in diagnosis, pre-surgical planning, surgical treatment of neurosurgical diseases.

Purpose:

NES-AIIMS New Delhi and KLS, Gogte Institute of Technology, Belagavi desire to implement, in the areas of mutual interest, cooperative and collaborative activities, which would address multidisciplinary scientific, technological and educational problems of relevance to the country within fields that are mutually acceptable in accordance with the law following general forms of cooperation. This is facilitated by the instrument of this MOU as follows:

Joint research activities for translational research areas as mutually agreed upon by involving faculty, research scholars and students from different departments of both institutions abide by the rules.

- 1. Visits and exchange:** There will be provision for visit and exchange of faculty, research scholars, staff and students between the institutes for research

related activities. There can be joint organization of events (workshops, seminars, symposia, lectures) and mutual sharing of data.

- 2. Intellectual Property:** Important research findings and inventions developed under the collaboration may be published/ presented/ patented with mutual consent of the collaborators. Any returns of commercialization of the Intellectual property will be shared in proportion to be decided mutually by both the parties on case-to-case basis and exchange of letters.
- 3. Non-exclusivity of the MoU:** Except the provisions regarding Intellectual Property, either party or, both parties together have unrestricted right to seek additional funds for and/or to cooperate with any agency/institute for any of the projects covered by MoU.
- 4. Rights for modifications:** The contents of the MoU may be modified or changed by mutual agreement of the parties hereto in writings. It shall then be effective from the date of modification.

Disagreements / Differences: Any disagreements/ differences of opinion/ disputes regarding the interpretations of the provisions of the MoU shall be resolved by mutual consultation of the signatories.

Governing Law: All research activities undertaken jointly by NETS-AIIMS New Delhi and KLS, Gogte Institute and Technology, Belagavi under this MoU will be governed by the Laws of the Republic of India.

The implementation of these activities, including all financial arrangements will be developed mutually for specific projects based on this MoU.

The tenure of the MOU shall be for three years from the date of signing the MOU. Unless opted otherwise by either of the signatory parties to this MOU, tenure shall be renewed automatically for another three years from the date of expiry of the first tenure.

Two official versions of the official agreement, executed in English, are to be signed by the representatives, with one copy to be retained at each party.

The MoU will be signed after a discussion and approval from Dr. Ashish Suri at AIIMS, New Delhi.

31 Considered the letter submitted by Dr. Vinayak Malik, Associate Professor, Mechanical Engg. Dept. requesting permission to apply for SERB SURE Grant

Preamble: Dr. Vinayak Malik, Associate Professor, Mechanical Engg. Dept. submitted proposal requesting permission to apply for SERB SURE Grant. It is stated that, there is a call for SERB-SURE research proposals for possible funding extended to state universities and colleges including private universities and colleges across India. The submission window of proposals under this scheme opens once a year only for a month. This year it has opened on 1st November 2023 and would be closing on 30th November 2023 without any extensions.

Such proposals and funding add value to the Institutes stature and provides substantial support during national and international accreditations like NBA, NAAC QS rankings etc.

Dr. Vinayak Malik would like to apply for the said funding as Principal Investigator, leveraging our current and prospective research endeavours.

As a part of application, we are required to produce Endorsement Letter from the Head of Institution.

The applied fund is for ₹ 30 lakhs with 14 lakhs for equipment and 16 lakhs for research personnel, consumables, domestic travel, contingency and other costs (analytical charges, equipment user charges, fieldwork charges, etc.) The entire fund will be provided by the SERB.

Hence, it is requested to issue the necessary endorsement letter enabling the smooth progression of our application process

Dean IRDC given remarks stating that, in the call for proposal, there is no financial details of institute seen. It is only mentioned about their grant and disbursement.

Discussion & Decision:

GC noted the details placed in the meeting.
