3 Informed GC about the NBA Appeal Committee result

Preamble: KLS GIT had applied for National Board of Accreditation(NBA) accreditation during 2022 under Tier –I category. The NBA committee visited during 2nd – 4th December 2022 for 5 UG programs (i.e. ME, EC, CV, CSE, ISE). Results were declared in the month of March 2023 & 2 UG programs (i.e., ME, EC) got accreditation & 3 UG programs (i.e., CV, CSE, ISE) did not get accreditation.

However, an appeal was made to re-consider the evaluation of non-accredited UG programs in the month of May 2023. In response to this, NBA had convened an Appeal Committee meeting on 14th December 2023 at New Delhi. The GIT team from CSE, ISE and Civil departments attended the meeting at New Delhi and presented their case.

The NBA website since 18th Dec 2023, is displaying that the Computer Science and Engineering UG program of KLS GIT is accredited from Academic Year (AY) 2022-23 to AY 2024-25 i.e. up to 30th June 2025. The screen shot of the website is enclosed for ready reference. The result of Civil and ISE is not known till date.

The screenshot shows the NBA Accredited Programs website. The header includes the NBA logo and navigation links. The main heading is 'ACCREDITED PROGRAMS'. Below it, there's a search bar and a table of accredited programs. The table has columns for Name of the Institution, Program, Level, Accreditation Status, and Accreditation Latest. The first row shows KARNATAK LAW SOCIETYS GOGTE INSTITUTE OF TECHNOLOGY (Belgaum) for Computer Science & Engg. at the Under Graduate level, with an ACCREDITED status and an accreditation period from Academic year 2022-23 to 2024-25, i.e., upto 30-06-2025.

18 Considered the proposal regarding establishing an additional / Second NSS Unit at KLS GIT, Belagavi under Fully Self Financed Scheme(FSFS) submitted by NSS, Coordinator

Preamble: It has been observed over the years that, the NSS aspirants from the first-year students have been showing an overwhelming response to join the unit. However, we cannot admit all, as the unit strength is limited to one hundred volunteers, among them thirty are senior volunteers who were promoted from first-year to second-year NSS.

Moreover, for B.Sc. (Hon's) students joining NSS is mandatory. The branches such as B. Arch. Fifth semester diploma students, MBA, and MCA students are also desirous of joining NSS. Hence, it is proposed to establish second NSS unit at our institute

Also, the NAAC and NBA teams who visited the institute recently have also expressed the same opinion to establish an additional unit because one unit of NSS wouldn't suffice the demand and requirements in the institute. More importantly according to the 2021 and 2022 schemes, NSS is a mandatory course for B.E. students from the third semester with a CIE [NSS activities] for which marks are awarded.

The approximate expenses required to establish an additional / second NSS units would amount to ₹1,00,000/- p.a.

Further, Ms. Pankaja Kadalagi (Patil) has consented to be the NSS Coordinator for the proposed new unit.

Considering the above points, it is proposed to establish an additional/Second NSS unit under the system Fully Self-Financing Scheme [FSFS] NSS. The entire expense towards activities and camps has to be borne by the College as the sponsoring agency.

Discussion & Decision:

GC noted the details placed in the meeting.

After discussion, GC permits to establish an additional / Second NSS Unit at KLS GIT, Belagavi under Fully Self-Financed Scheme.

Prof. Mrs. Pankaja Kadalagi (Patil) be nominated as coordinator for the second unit.

GC also sanctions ₹1,00,000/- p.a. (recurring expenses) towards the same.

Matter is referred to KLS BOM for its information.

20 Discussed about Application submitted by Ms. Akshata S. E. (USN : 2GI22CV002) requesting for NOC for Change of College(CoC)

Preamble: Ms. Akshata S. E. student of B.E. (Civil Engg.) has submitted application dated 13.12.2023 requesting for NOC to apply for Change of College from KLS GIT to Agadi Institute of Technology, Laxmeshwar, Gadag. The said matter was discussed in GC meeting dated 19.12.2023 and GC has decided to forward the matter to KLS BOM for its consideration and suitable decision in the matter.

In the meantime, as the time is short, she along with her mother met Principal-KLS GIT and informed Principal-KLS GIT that, due to the financial condition at home, she is not able to meet the expenses and hence, she would like to take a change of college to Laxmeshwar.

She has paid the 1st year fee completely and ₹25,000 for the 2nd year.

The said matter was also discussed with Dr. V. N. Satwik, Registrar, KLS GIT and he informed that, as per VTU notification, **the last date to apply for change of college on the VTU portal is 23.12.2023**. Institute is required to provide NOC to her within the due date so that she could apply.

Looking at the urgency, Principal-KLS GIT has sent an email dated 22.12.2023 in GC members group requesting to guide us in this matter. In response to this, Chairman, GC-KLS GIT has sent the following email:

‘Since time is short, I request you to grant her the NoC for CoC given her family’s apparent financial difficulty.

We will have to take up the matter in upcoming GC and inform Board.’

Discussion & Decision:

GC noted that per Resolution No. 25 dt. December 19, 2023 of meeting of KLS GIT GC (Engg.) the matter was forwarded for consideration and guidance of KLS BOM.

GC however, due to financial difficulty of the student, and paucity of time as stated above, decided to issue the NOC to the student.

GC therefore requests consideration of a one-time forbearance of the same.

21 Considered the proposal regarding additional water supply via borewells

Preamble: It is proposed to dig two-three borewell in the newly purchased land adjacent to KLS GIT campus to save money on water tankers to the extent possible.

Note on existing water resources in KLS GIT campus:

- **Open Well No. 1**

From January to May the water level is around 6 to 8 feet. Available water during this period is pumped by ladies hostel. However, it is not sufficient to cater the requirement of hostel. Hence, they totally depend on the water tankers.

- **Open Well No. 3**

Details of Water supply through tankers for last 5 years				
Sl. No.	Year	No. of Tanker	Rate	Amount (₹)
1	2019	819	200	1,63,800
2	2020	0	200	0*
3	2021	91	240	21,840*
4	2022	50	240	12,000*
5	2023	430	300	1,29,000
			TOTAL	3,26,640
*Due to Covid'19 Pandemic, college remained close for 2 to 3 months and hence, the water requirement less in 2020-22.				

Inspite of all these water sources, KLS-GIT faces water scarcity in summer and has to depend on tankers.
