4 Considered the proposal regarding sanction of AICTE Technical Education Regulatory (TER) charges for Extension of Approval (EOA) and starting of new courses

Preamble: With reference to the AICTE Advt. No: AICTE / Regulation Bureau /2024 (1), present on the AICTE website dated 27-12-2023 and Approval Process Handbook 2024-27, each Institution offering Technical Program have to submit an application to the Council, every year for Extension of Approval of Course(s) offered by the Institution. We are submitting application to AICTE for the following for the AY 2024-25:

1.	Extension of Approval (EoA) based on Self-Disclosure for AY 2024-25
2.	Starting of New Course: UG Course in CSE (Artificial Intelligence & Machine Learning) – 4 years

In the subsequent years, if the Institution intends to apply for any other Categories mentioned in Chapter II (for changes in Approval status), the corresponding TER Charges as per Approval Process Handbook shall be applicable. **The TER charges to be paid are:**

Sl. No.	Description	TER Charges (₹)		Total (₹)
1.	Extension of Approval (EoA) based on Self-Disclosure	B.E. : 14 Div. M.Tech.: 04 Div.	20,000/- per Div.	3,60,000/-
2.	Starting of New Courses UG course in CSE (Artificial Intelligence & Machine Learning)	1,25,000/- per Course		1,25,000/-
		Total		4,85,000/-

Hence, it is requested to accord approval to submit the application and sanction the TER charges of ₹4,85,000/- towards the same. The last date for the online submission of application for A.Y. 2024-25 without penalty is 31.01.2024.

5 Discussed about the placement eligibility data for 2025 graduating batch submitted by Training and Placement Officer

Preamble: As per GCR No. 03 dated 02.01.2024, in order to understand placements, GC gave following suggestions to Training & Placement Officer:

- i. The following categories of students be mentioned and listed before computing "eligible for placement" students:
 - a. Total Number of Students.
 - b. Students wishing to pursue higher education.
 - c. Students wishing to join family business or wishing to enter entrepreneurship.
 - d. Students with Std. X and PUC II marks that are below typical needs of quality recruiters i.e., 60% in each.
 - e. Students with B.E. subject backlogs.
- ii. Strategy for candidates, who are ineligible because of their Std. X and/or PUC II score, to be implemented from first year itself since that data is known the day on which the student's complete admission formalities at KLS GIT.

Training & Placement Officer is requested to implement the same (a through e) and share the data of "eligible for placement data" with members within a week.

Accordingly, following details regarding placement eligibility data for 2025 graduating batch were submitted by Training & Placement Officer:

Important Observations:

A. To improve academic performance/awareness related to implications on placements:

- Early connect with students to grow awareness (Remedial actions for improving placement chances)
- 3rd semester connect session planned between 29th to 31st January 2024
- 2nd semester connect sessions will be organized during March first week 2024

B. To improve placements for Non-Eligible students:

- Engage with companies who are not looking at pre-engineering academic history
- Upskilling such students in Aptitude and Technical skills by scheduling more assignments and assessments

11 Considered the proposal regarding organizing ISTE National Level Faculty Convention submitted by Secretary & Treasurer, ISTE, KLS GIT (Amount involved: ₹3,00,000/-)

Preamble: Secretary & Treasurer, ISTE, KLS GIT submitted proposal regarding organizing ISTE National Level Faculty Convention.

- Hosting an ISTE faculty convention in our institution holds multifaceted benefits. The active participation of all Executive Council members from ISTE, New Delhi, in the national level faculty convention presents a valuable networking opportunity. Establishing connections with EC members ISTE enhances the likelihood of securing funding support from ISTE.
- Furthermore, hosting the convention provides an opportunity to gain national recognition for our ISTE student and faculty chapter.
- Last year, our institute made a significant impact during the Karnataka section ISTE convention conducted by KLS, Gogte Institute of Technology, the amount of ₹75,000 was sanctioned by management of KLS, GIT, of which ₹50,000 was used for the convention. Later, ISTE Chapter Karnatak Section and New Delhi, appreciated the conduction of the convention by ISTE KLS, GIT chapter and reimbursed ₹45,000.
- KLS GITs student Mr. Abhishek, from the computer science department the student chairman of the ISTE Chapter KLS GIT, earned the best student award. This honor was granted since the chapter actively organized a number of student events as well as a faculty convention at the state level.
- KLS, GITs ISTE chapter has 500+ student members.
- By highlighting the achievements and initiatives of our ISTE chapter, especially in front of Executive Council members and faculty from other institutions, we can position ourselves for consideration for the Best Chapter Award at National level. This strategic approach not only contributes to the visibility of our ISTE chapter but also opens doors for recognition on a national level.
- For conducting the national level faculty convention ISTE New Delhi provides financial assistance of ₹3,00,000. This assistance will be reimbursed after successfully conducting the event and showing the expenditure made by the institute for the convention.
- The ISTE chapter KLS GIT has planned to collect a registration amount of ₹1,000 for non ISTE members and ₹500 for ISTE members from the participants. This amount will also be used for the expenses.
- **Hence, it is requested to sanction an amount of ₹ 3,00,000 for conducting national level faculty convention for one day. After the**

12 Considered the proposal regarding procuring water through water tankers submitted by Dean Infra. & Planning

Preamble: Dean Infra. & Planning submitted proposal regarding procuring water through water tankers. It is stated that, the current water level in the well near ground, which is utilized by both the Girls Hostel and Main campus throughout the year, is depleting and may not be sufficient for yielding in coming days. Since Water comes under essential commodity, as a precautionary measure every year, we call for the external water tankers.

In harsh summer, our daily requirement can go up-to 15-16 tankers of capacity 4,000 liters for majority of the buildings in the campus.

Further, Dean Infra. & Planning collected quotations from the following vendors:

1. M/s. M. D. Water Supply (Mahesh Patil), Belagavi
2. M/s. S. S. Shahapurkar, Belagavi
3. M/s. Vijaykumar N. Khot, Belagavi

Only parties 1 and 2 submitted quotations.
