**3 Discussed about Sewage Treatment Plant (STP)**

**Preamble:** Following points were submitted by HOD-Civil Engg. Dept.:

- The existing STP is of 100 KLD which is insufficient as per area of construction and student population. Hence, it is proposed to replace the existing 100 KLD STP to 350 KLD capacity.
- To adopt treatment units made-up of RCC material for long life.
- To reduce the odour nuisance near Girl's hostel.

In this regard, a meeting was convened on 09<sup>th</sup> March 2024 consisting of all the members from STP committee of KLS GIT to discuss the augmentation of STP at KLS GIT campus.

Following are the various proposals suggested by the committee members:

- A. Committee discussed regarding the various categories classified by Pollution Control Board. KLS GIT is under Red Category as the campus area exceeds 20,000 m<sup>2</sup> and also generation of wastewater is more than 100 KLD.
- B. Committee members opined to have the STP of 350 KLD capacity to fulfill the requirements for obtaining NOC from pollution control board. However, external expert advice is also required in this context.
- C. The existing STP is based on Rotating Biological Contactor (RBC). As the RBC tank is made up of Mild steel and it has been repaired several times in previous 10 years, committee members opined to have the technology adopted by other reputed colleges. However, the existing Civil works (Wet-well, treated effluent tank) can be retained as it can be used by enhancing the pumping requirements. The list of various colleges along-with STP capacities, and treatment technology adopted is as under:

| Sl. No | College                                  | Capacity | Treatment Method Adopted |
|--------|------------------------------------------|----------|--------------------------|
| 1      | East West College, Bengaluru             | 350 KLD  | SBR with Filters         |
| 2      | Vellore Institute of Technology, Vellore | 1000 KLD | SBR with Filters         |
| 3      | Oxford Medical College, Bengaluru        | 450 KLD  | SBR with Filters         |
| 4      | PES Institution, Bengaluru               | 300 KLD  | SBR with Filters         |
| 5      | Acharya Institution, Bengaluru           | 450 KLD  | FBR                      |
| 6      | Jain University, Bengaluru               | 500 KLD  | SBR with Filters         |
| 7      | Reva Institution, Bengaluru              | 600 KLD  | FBR                      |
| 8      | Aequs SEZ India Pvt. Ltd., Belagavi      | 300 KLD  | SBR with UF              |

|---|---------------------------------------|--------|-------|
| 9 | GMR Institute of Technology,<br>Vizag | 300KLD | EA-AS |
|---|---------------------------------------|--------|-------|

D. Total area required is approximately 400 m<sup>2</sup> for establishing STP of 350 KLD capacity. Committee members opined to seek the advice of external expert for finalizing the new location for STP (near GYM area) excluding the existing Civil works (Wet-well, treated effluent tank).

E. As the existing capacity of the filter is 100 KLD, committee members opined to have 350 KLD filters as the existing material used is almost 10 years old.

**Discussion & Decision:**

GC noted the details placed in the meeting.

GC has directed Dean Infra. & Planning, and HOD-Civil Engg. to :

- i. Suggest the STP with latest technology, and its approximate price.
- ii. Make a survey of engineering colleges where newer STPs have been installed.

Matter is referred to KLS BOM for its information.

**4 Discussed about the reward scheme for first year students**

**Preamble:** As per GCR No. 08 dated 05.03.2024, GC resolved to:

*'To further attract meritorious students to KLS GIT, GC also requested HOI to prepare a matrix of recommended fee concessions for students performing well in the first year of B.E. at KLS GIT, and place this before the upcoming meeting of the GC.'*

| Existing Scheme                                                                  | Proposed                                                                                                       |                                                                                                            |
|----------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|
|                                                                                  | Option – 1                                                                                                     | Option – 2                                                                                                 |
| ₹1,000/- cash prize for each of top ten CGPA students at the end of two semester | ₹10,000/- cash prize for each of top 10 CGPA students at the end of two semesters<br>(Total outgo ₹1,00,000/-) | ₹10,000/- cash prize for each of topper branch-wise at the end of two semester<br>(Total out go ₹80,000/-) |

**Discussion & Decision:**

GC noted the details placed in the meeting.

After discussion, GC recommends the following reward scheme for first, second, third and fourth year (fifth year in case of Architecture) students of each undergraduate branch :

| Sl. No. | Rank                 | Prize   |
|---------|----------------------|---------|
| 1       | 1 <sup>st</sup> Rank | ₹10,000 |
| 2       | 2 <sup>nd</sup> Rank | ₹8,000  |
| 3       | 3 <sup>rd</sup> Rank | ₹5,000  |

**Estimated Annual Outlay: ₹7.60 Lakhs.**

Notes:

- There shall be no live backlogs
- The CGPA of two semesters corresponding to the year will be considered for rankings.
- Students in supplementary exams/semesters will not be considered.
- Make up I Grade (not X grade) only will be considered.
- In case rank is shared, all will be paid the full applicable amount without sharing.

Matter is referred to KLS BOM for its consideration and approval.

**5 Updated GC about AURA 2024**

**Preamble:** The light and audio system vendor M/s. Systematic Inc., Bengaluru did not give quotation for Camera Rider and SFX, which was present in the tech rider provided by the artist's manager. However, the tech rider and quotation comparison did not happen from our side. The rent of the same, as quoted by M/s. Systematic Inc., Bengaluru is ₹4,50,000/- + applicable GST.

As specified by the Production Manager of Ms. Shreya Ghoshal, the above riders are mandatory for the conduct of the concert. Hence, GC is requested to approve ₹4,50,000/- + applicable GST towards Tech Rider.

**7 Considered the proposal regarding finalization of agency for purchase of Stereo Microscope for Composite Materials Lab. (Amount involved: ₹2,00,000/-)**

**Preamble:** As per GCR No. 11 dated 30.01.2024, an amount of ₹2,00,000/- has been sanctioned towards purchase of Sterio Microscope for Composite Materials Lab. As per approval, quotations were received from the following vendors:

1. M/s. OMNI TECH, Pune
2. M/s. GATHA Products and Services, Pune
3. M/s. Chennai Metco Pvt. Ltd., Chennai

**Discussion & Decision:**

After negotiation, it is hereby resolved to place order with M/s. OMNI TECH, Pune at the negotiated amount of ₹1,83,136/- including GST towards purchase of Sterio Microscope for Composite Materials Lab.

The vendor has agreed to supply the equipment within 90 days.

HOD-Mechanical Engg. Dept. is to prepare the Purchase Order accordingly.

Matter is referred to KLS BOM for its information.

---

**8 Considered the proposal regarding finalization of agency for purchase of Induction Heating Set up submitted by HOD-Mechanical Engg. Dept. (Amount involved: ₹1,50,000/-)**

**Preamble:** As per BOM Res. No. 11 dated 17.02.2024, BOM has accorded approval for procurement of portable Induction Heating Set up in place of Furnace Accessories and Consumable. At the cost not exceeding ₹1,50,000/-. Further, BOM has authorized Governing Council, KLS GIT to take necessary action for procurement of Portable Induction Heating Set-up. Principal-KLS GIT is directed to take necessary action in the matter as per the procedure.

Quotations were called from the following vendors:

1. M/s. Therm – X Industrial Equipments Pvt. Ltd., Nagpur
2. M/s. Calette India Pvt. Ltd., Coimbatore
3. M/s. Maschinell Industrial Enterprises, Rajasthan
4. M/s. Pooja International, Mumbai

Parties mentioned in Sl. No. 1,2, and 3 have submitted quotes.

**Discussion & Decision:**

After negotiation, it is hereby resolved to place order with M/s. Therm – X Industrial Equipments Pvt. Ltd., Nagpur at the negotiated amount of ₹97,000/- including GST towards purchase of Induction Heating Set-up for Microwave Materials Processing Laboratory of Mechanical Engg. Dept. at KLS GIT.

GC also permits for the payment of 50% of the negotiated amount (i.e., ₹48,500/-) as advance along with the Purchase Order.

The vendor has agreed to supply the equipment within 8 days.

HOD-Mechanical Engg. Dept. is to prepare the Purchase Order accordingly.

Matter is referred to KLS BOM for its information.

**9 Considered note regarding purchase of resin 3D printer for Microwave Materials Processing Lab. in place of furnace accessories (amounting to ₹1,50,000/- from SEED money) submitted by HOD-Mechanical Engg. Dept. (Ref.: BOM Res. 49 dated 17.02.2024)**

**Preamble:**

- As per BOM Res. 19 dated 01.07.2023, BOM has sanctioned SEED Amount of ₹10,00,000/- towards establishment of Microwave Materials Processing lab. Out of the sanctioned amount, ₹1,50,000/- is earmarked for purchase of Furnace accessories and consumables.
- In the meantime, HOD-Mechanical Engg. Dept. has submitted proposal requesting to accord approval to purchase resin 3D printer (LCD type based on Masked Stereo-lithography) in place of Furnace accessories and consumable for Microwave Materials Processing Laboratory. The same is referred to KLS BOM for its approval.
- Further, as per BOM Resolution No. 49 dated 17.02.2024, BOM has referred back the matter to Governing Council – KLS GIT with a request to submit a detailed report on purchase of resin 3D Printer in place of Furnace Accessories, and Consumable from SEED amount.
- Accordingly, HOD-Mechanical Engg. Dept. submitted detailed explanation cum report justifying the purchase of resin 3D printer (LCD type based on Masked Stereo-lithography) for Microwave Materials Processing Laboratory.
  - Currently, the said resin-based printer is not available within the Institute.
  - This specific type of printer is frequently needed at Microwave Materials Processing Lab as we are into development of a new process for manufacturing Metallic Components through Microwave Post Processing of typical resin generated parts. The discussed printer is needed for obtaining these base parts of required geometries.
  - Few Ph.D. students are working on this technological problem and dedicated facility within the lab. would help in refining and expediting the work.
  - There is immense potential in patenting of this new proposed technology.
  - The mentioned printer fits within the budget of 1.5 lakhs with consumables needed for its operations. Considering the evolving research and development scenario, it is requested to grant permission for the purchase of resin 3D printer (LCD type based on Masked Stereo-lithography).

**Why it was not thought earlier:**

There were few technological developments in last six months with respect to ongoing research work with patenting potential and subsequent revenue generation. A dedicated resin 3D printer (LCD type based on Masked Stereo-lithography) will help in proving the point and seeking IP protection for our developed work. Sooner we do it better it is. Hence the request was made for change in the procurement considering the evolving research situation.

**Discussion & Decision:**

GC noted the details placed in the meeting.

Matter is forwarded to KLS BOM with a request to accord approval to procure resin 3D Printer at the cost not exceeding ₹1,50,000/- in place of Furnace Accessories and Consumable.

**14 Considered the application regarding sanction of Special Medical Leave submitted by Dr. Pavan Kunchur, Associate Professor, CSE Dept.**

**Preamble:** Dr. Pavan Kunchur is a confirmed employee. He is presently working as Associate Professor in CSE Department. He has applied for Special Medical leave for a period of 19 days i.e. from 11.02.2024 to 29.02.2024 vide his application dated 01.03.2024, as he was undergone for Lap Surgery.

As per the doctor's certificate, he has advised to take rest for 25 days with effect from 05.02.2024, the medical certificate is endorsed by our college medical officer Dr. M.D. Sattigeri (Enclosed).

As per K.L.S. Revised Service Rules, Chapter 5 {f} amended with effect from 01.06.2022 {Refer Board of management Resolution No. 21 dated 07.05.2022} states that "A special medical leave to cover protracted / major ailments / illness, not being ailment / illness relatable to maternity may be given to Confirmed employees with full pay for first 20 days and with half pay for the next 20 days and without any pay for the balance period, if any. This special medical leave may be granted against the production of certificate of hospital / medical practitioner approved by the Society. This concession can be granted once in FIVE calendar years".

He has not availed Special Medical Leave in last five years.

Since he is Vocational Employee, he was on vocation for 10 days w.e.f. 01.02.2024 and he was undergone surgery on 05.02.2024, hence his medical leave may be treated as under:

- **With full pay for 20 days i.e., period from 05<sup>th</sup> February, 2024 to 24<sup>th</sup> February 2024**
- **With half pay for 05 days i.e., period from 25<sup>th</sup> February, 2024 to 29<sup>th</sup> February 2024**

Dr. Pavan Kunchur is a not an insured member of ESI, his Gross Salary is above the ESI ceiling limit of ₹21,000/- per month.
