7 Considered the proposal regarding sanction of budget for Digital Advertisement Campaign run by Brand Raga for the academic year 2024-25 submitted by Publicity Coordinator

Preamble: As per BOM Res. 43 dated 09.03.2024, BOM has accorded approval for digital advertisement campaign for the academic year 2024-25 through M/s. Brand Raga, Bengaluru at the cost of ₹4,71,000/-.

As we prepare to commence the admission process for the academic year 2024, starting with the Karnataka Common Entrance Test (KCET) in April 2024, the digital advertisement campaign for the academic year 2024-25 is in place. In light of this, there will be need of advertisement budget to incur the expenses to run the advertisement campaign. The Brand Raga has submitted a proposal for the campaign advertisement budget for five months of **₹4,95,600/-**.

The plan is to run the advertisement campaign for five months, spanning from April 2024 to August 2024, encompassing both undergraduate (UG - regular + lateral), and postgraduate (PG) admissions.

Key considerations include:

- i. The digital advertisement agency will charge advertisement fees on a monthly basis. The agency fees will vary based on the number of the advertisement campaign to run, and based on the leads to be generated for admissions.
- ii. Advertisement fees are contingent upon the monthly expenditure on digital advertisements, considering metrics such as appearances, views, clicks, and leads on platforms like Meta, Google, WhatsApp, and YouTube. This amount is exclusively paid to the mentioned platforms, with no portion going to the agency.

The advertisement charges will be distributed on a monthly basis, alongside the expenditure bill, including the agency charges. The mentioned budget is found to be suitable for the advertisement campaign for period of 5 months (April to August, 2024).

Hence, it is requested to consider the proposal, and sanction ₹4,95,600/- towards the same.
