**4 Discussed about various online admission / examination fee collection applications (payment gateway) submitted by Registrar, KLS GIT**

**Preamble:** Registrar, KLS GIT submitted proposal regarding various online admission/examination fee collection applications (payment gateway). It is stated that, college is in process of implementing new ERP Software i.e., MasterSoft in place of DHI. Currently, students are paying only examination fee online through DHI Software (Razorpay gateway). However, the charges of Razorpay are high and also, they do not provide detailed statement of payments done.

In view of promoting online payments and to encourage student to pay all fees including admission and examination etc., a new gateway needs to be incorporated in ERP Software i.e., MasterSoft.

The details of the gateways provided by the various banks is given below:

**27 Considered the proposal regarding parasites removal from Mango trees submitted by Dean Infra. & Planning**

**Preamble:** The mango trees in our campus are severely infected by parasites. After approaching different parties, the rate for removal of parasites is around ₹500 per tree. Therefore, the total cost can go around ₹1,50,000/- (300 x ₹500/-).

On the other hand, another party proposed removal of parasites from all trees in return of all the mangoes to the party and pay ₹10,000/- to KLS GIT.

**Discussion & Decision:**

GC noted the details placed in the meeting.

GC accepts the proposal and permits for the removal of parasites in exchange for mangoes along with a receipt of an amount not less than ₹10,000/-.  
Dean I&P to take necessary action and ensure proper disinfection.

Matter is referred to KLS BOM for its information.
