- 19 **Considered the application seeking permission to undergo PG Certificate program on Emerging Technologies submitted by Dr. Vinayak Malik, Associate Professor, Mechanical Engg. Dept.**

Preamble: Dr. Vinayak Malik, Associate Professor, Mechanical Engg. Dept. submitted application seeking permission to undergo PG Certificate program on Emerging Technologies. It is stated in his application that, he is interested to undergo PG Certificate program in the additive manufacturing / 3D printing course at IIT Palakkad and / or IIIT, Tiruchirappalli.

There is no financial commitment required from the institute as all costs are covered by AICTE. The program demands a commitment of 24 weeks of learning time, with 20 weeks to be conducted online (allowing to stay at KLS GIT and discharge his academic duties) and 4 weeks to be spent at the host institute for laboratory sessions and offline theory classes. These 4 weeks are split into two separate period: the first two weeks at the beginning of the course in July 2024 and the remaining two weeks at the end of the course in December 2024 for final examinations. Such an arrangement would not affect the work here and could be managed in a balanced way.

To complete the application, he requires to submit a Nomination Letter and a No Objection Certificate (NOC) from the current institute. Hence, it is requested to issue these certificates.

Discussion & Decision:

GC noted the details placed in the meeting.

GC permits Dr. Vinayak Malik, Associate Professor, Mechanical Engg. Dept. to undergo PG Certificate program on Emerging Technologies.

Further, Principal-KLS GIT is authorized to issue Nomination Letter and No Objection Certificate (NOC) to Dr. Vinayak Malik.
