- 11 **Considered the matter regarding sanction of expenses for participating in National Level ASME I AM 3D Competition at FISAT, Ernakulam, Kerala submitted by HOD-Mechanical Engg. Dept. (Amount involved: ₹1,52,845/-)**

Preamble: HOD- Team IAM3D secured 1st place at global level ASME E-Fest 2022, competing with some of the prominent institutes worldwide. This year as well, ASME at the national level is hosting the EFX Engineering Festival 2024, IAM3D (Innovative Additive Manufacturing 3D). The ASME IAM3D competition is hosted to give engineering undergraduate students around the world an opportunity to re-engineer products and create new designs. The challenge this year is to design, manufacture, and test an Unmanned Aerial Racing Cargo Vehicle U.A.R.C.V. using additive manufacturing and an iterative design process that will race in up to five teams through an obstacle course, picking up and delivering one payload per lap.

Students competing in ASME IAM3D will showcase their creativity by demonstrating the value-added through their ingenuity, and application of core mechanical concepts. In this competition, a group of enthusiastic students will work to design and build an efficient, highly engineered UAS. At our KLS GIT, an interdisciplinary team of 17 enthusiastic students has been formulated

Department of Mechanical Engg. has worked on the design and approximate cost to fabricate this vehicle would amount to ₹1,52,845/-.
