**8 Considered the proposal regarding sanction of expenses for electrification and networking work in the administrative office of KLS GIT submitted by Registrar-KLS GIT (Amount involved: ₹1,50,000/-)**

**Preamble:** Registrar-KLS GIT submitted proposal regarding sanction of expenses for electrification and networking work in the administrative office of KLS GIT. It is stated, about 15 days ago we faced some electric issues in parts of KLS GIT office. Immediately this was brought to the notice of electric maintenance Dept. They inspected and changed the wires and connections in the affected zone.

Again on 08.07.2024 no computer was having electric supply, and our personnel experienced shocks/ jitters when they tried to start computer/ printers etc. Immediately maintenance section personnel were called who identified the problems.

In the meantime, it is observed that internet network connections are also affected. I was told that these network connections were laid in 2010-2011.

Hence, it is requested to accord approval to go for new networking of college office. Further this will decouple college office network from Principal chamber and GC room network.

The approximate cost of this new network is about ₹1.50Lakh (₹1,50,000/-).

In view of urgency, the work is assigned to M/s. Venugram Solutions, Belagavi.
