- 6 **Considered the proposal regarding organizing 5-days workshop on “Novel Materials : Advances and Applications” submitted by HOD-Mechanical Engg. Dept. (Amount involved: ₹1,57,000/-)**

Preamble: HOD-Mechanical Engg. Dept. submitted proposal regarding organizing 5-days workshop on “Novel Materials: Advances and Applications”. It is stated that, this workshop is organized for the benefit of KLS GIT UG, PG and Research scholars, faculties, nearby industries, and faculties of other educational institutes. This workshop provides theoretical and hands-on experience, and skill development in the manufacturing of composite material to participants. The workshop will be organized tentatively in the first week of Feb/Mar 2025. 50 participants are expected for this workshop.

A. This will benefit the students in the following ways:

- Skill development and hands-on training of the composites manufacturing process.
- Live demonstration of various manufacturing processes.
- Advanced understanding of technical process variables of manufacturing.
- Motivating the students to take more projects in the composite materials area.
- Future opportunities and technologies in composite materials.

Hands on training of the workshop will be conducted in Composite Materials Lab., and partially in Vega Aviation Pvt. Ltd. premises; they have agreed and permitted to demonstrate the processes.

B. The tentative expenses for the workshop are as follows:

Sr.	Description	Amount (₹)
1	Honorarium for speakers	40,000/-
2	Travelling Allowance, Accommodation	40,000/-

It is stated that, KLS GIT ASM (American Society for Metals) club chapter wishes to organize an All India ASM Chapter Material Design Hackathon. This event, in collaboration with the ASM Pune International Chapter, aims to bring together innovative minds nationwide to tackle real-world challenges in materials science and design.

A. Objectives:

- Be the first of its kind ASM chapter to cater all ASM chapters under one platform.
- Foster innovation in material design and engineering across all Indian ASM chapters.
- Provide a platform for students, professionals, and researchers to collaborate and showcase their skills across the national level. Encourage problem-solving through real-world challenges in materials science.
- Promote awareness of the role of material design in various industries such as aerospace, automotive, electronics, and healthcare.
- Strengthen the collaboration between ASM chapters across India, educational institutions, and industry partners.

B. Event Details:

- **Event Name:** All India ASM Chapter Material Design Hackathon
- **Proposed month:** January/February
- **Venue:** KLS Gogte Institute of Technology, Offline Mode
- **Organizing Committee:** KLS GIT Mechanical Department staff and ASM Pune Office bearers

C. Duration:

The hackathon will take place over **24 hours**.

- Day 1: Morning: Orientation and briefing the problem statement presentations.
- Day 1: Forenoon: Ideation, prototyping, and mentorship by local Foundry Industries.
- Day 2: Final submission, presentation judging, and awards.

D. Team Composition:

- Each team should consist of **3-5 members**.
- Cross-functional teams from multiple disciplines such as materials science, mechanical engineering, chemical engineering, and design are encouraged.
