However, qualifying GATE (Graduate Aptitude Test in Engineering) is a significant academic achievement that demonstrates a high level of proficiency and dedication. Many Universities and Government institutions offer financial assistance to GATE qualified candidates in the form of scholarships or stipends. Offering such support will encourage academic excellence and help relieve the financial burden on meritorious students.

**In this regard, it is requested to accord approval for providing a scholarship of ₹75,000/- per annum, to attract GATE qualified candidates for our M.Tech. programs from the academic year 2025-26.**
