**3 Discussed about campus development plan submitted by HOD-Architecture Dept.**

**Preamble:** As per GCR No. 03 dated 29.04.2025, GC directed the Architects' team to come out with Campus Plan for KLS GIT. Accordingly, HOD-Architecture submitted following campus development plan:

A. The total area available to KLS GIT was comprised of three parts:

- a. Current Campus – 19 Acres 14 Gunthas 12 Annas
  - b. Rice Mill Land – 2 Acres
  - c. New Purchases – 7 Acres 30 Gunthas
- Total – Approx. 29 Acres

B. Each of these parcels has items that need to be stated for the sake of completeness:

Current Campus – Incorporates the BEMCIEL Land that has already been allocated for the proposed Business Incubation Center for KLS GIT.

Rice Mill Land –

- i. Has already been designated as the site for the Department of Architecture's independent building, and since it is in alignment with the Department of Design, it is likely that this new department will be incorporated into this structure since there are common areas like studios, design/exhibition areas, etc.
- ii. There is a road abutting the West and North Sides of this property that can be brought into the Rice Mill Parcel (with the road connectivity being swapped to the South border of the property) in order to achieve contiguity with Current Campus (**Appendix B**).

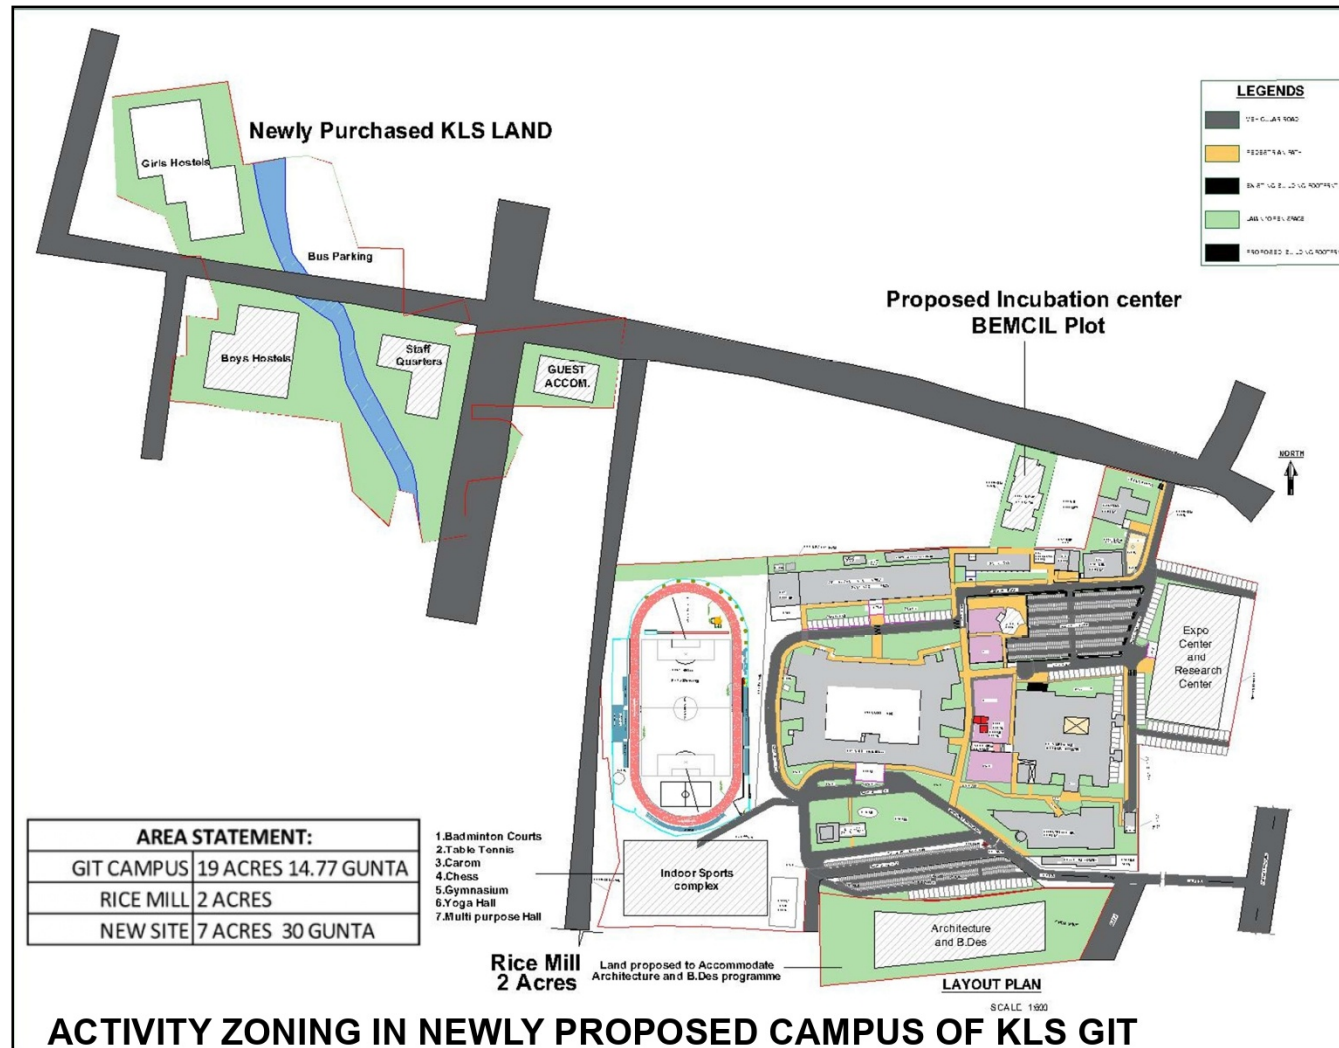

New Purchases – As can be seen from the CDP, there is North South "Naala" that crosses this parcel, as well as North South Road, and a East West Road that are part of this parcel. The "Naala" cannot be moved and hence forms a natural dividing line within the parcel. On the matter of roads as per the CDP, this might require clarity for optimal planning.

C. Any new buildings/development suggested here are purely hypothetical.

**Minutes of the meeting of the Governing Council of KLS GIT (Engg. Section)**  
**Held on Tuesday, June 17, 2025, at 04.00 P.M. in Governing Council Room of KLS GIT**

The following diagram showcases all three areas and incorporates certain hypothetical ideas for discussion of a Campus Plan

**Proposals:**

- i. **Sports Complex** that incorporates a standard 400 meter running track, and an indoor sports complex for sports such as Badminton, Basketball, Volleyball, Squash, Tennis, a Gym, etc..
  - a. To accomplish this, it is proposed that the existing ladies hostel be demolished since it is in a very shabby state and is the reason why, based upon discussions with related staff, KLS GIT sacrifices between 40 – 70 admissions annually.
  - b. It is proposed that the New Ladies Hostel be located in the “New Purchases” Land (Appendix A).
- ii. **Center for Research/New Courses/Exhibition Center**
  - a. To accomplish this, it is proposed that the existing boys hostel be demolished since it too is in a very shabby state and is the reason why again, based upon discussions with related staff, KLS GIT sacrifices between 40 – 70 admissions annually.
  - b. It is proposed that the New Boys Hostel be located in the “New Purchases” Land.
- iii. **Incubation Center**
  - a. As already decided by BoM, to be completed on 16 gunthas BEMCIEL Land.
- iv. **Department of Architecture, and Department of Design**
  - a. As already decided by BoM, School of Architecture to be completed on 2 Acres Rice Mill Land.
  - b. MBA/MCA departments can be reimaged in these additional spaces that will become available.
- v. **Parking of Buses**
  - a. To be moved from Current Campus to areas designated in the "New Purchases" Land.
- vi. **Staff Quarters/Guest House/Etc.**
  - a. Could be considered in areas designated in the "New Purchases" Land.

**vii. Other Principles.**

- a. To segregate KLS GIT areas into vehicular and non-vehicular zones
- b. To maintain current green cover and extend wherever possible.
- c. Build vertically rather than horizontally wherever possible.
- d. KLS GIT's current campus needs in terms of classroom and laboratories are sufficient for courses already being offered as per study conducted by Dean Statutory Matters after consulting with minimum requirements stated by AICTE.

**Discussion & Decision:**

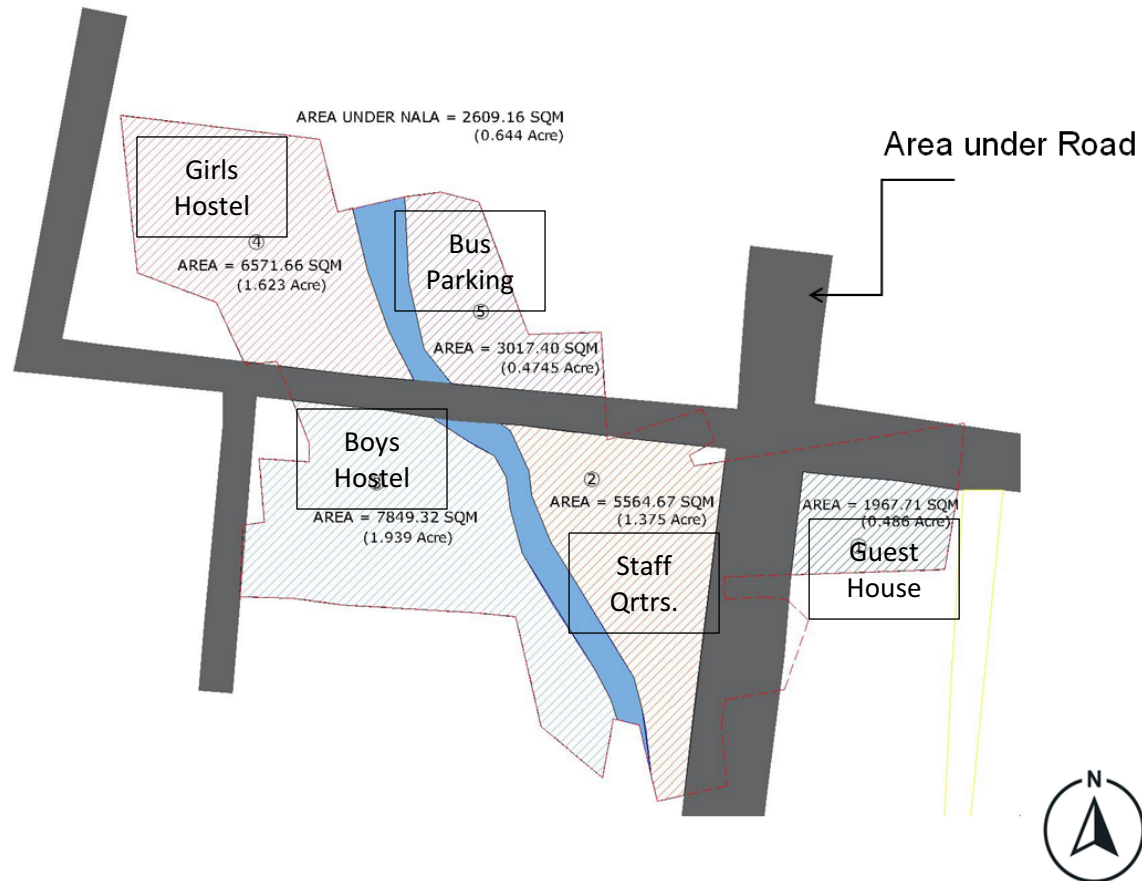

GC noted the details placed in the meeting.

Matter is referred to KLS BOM for its consideration.

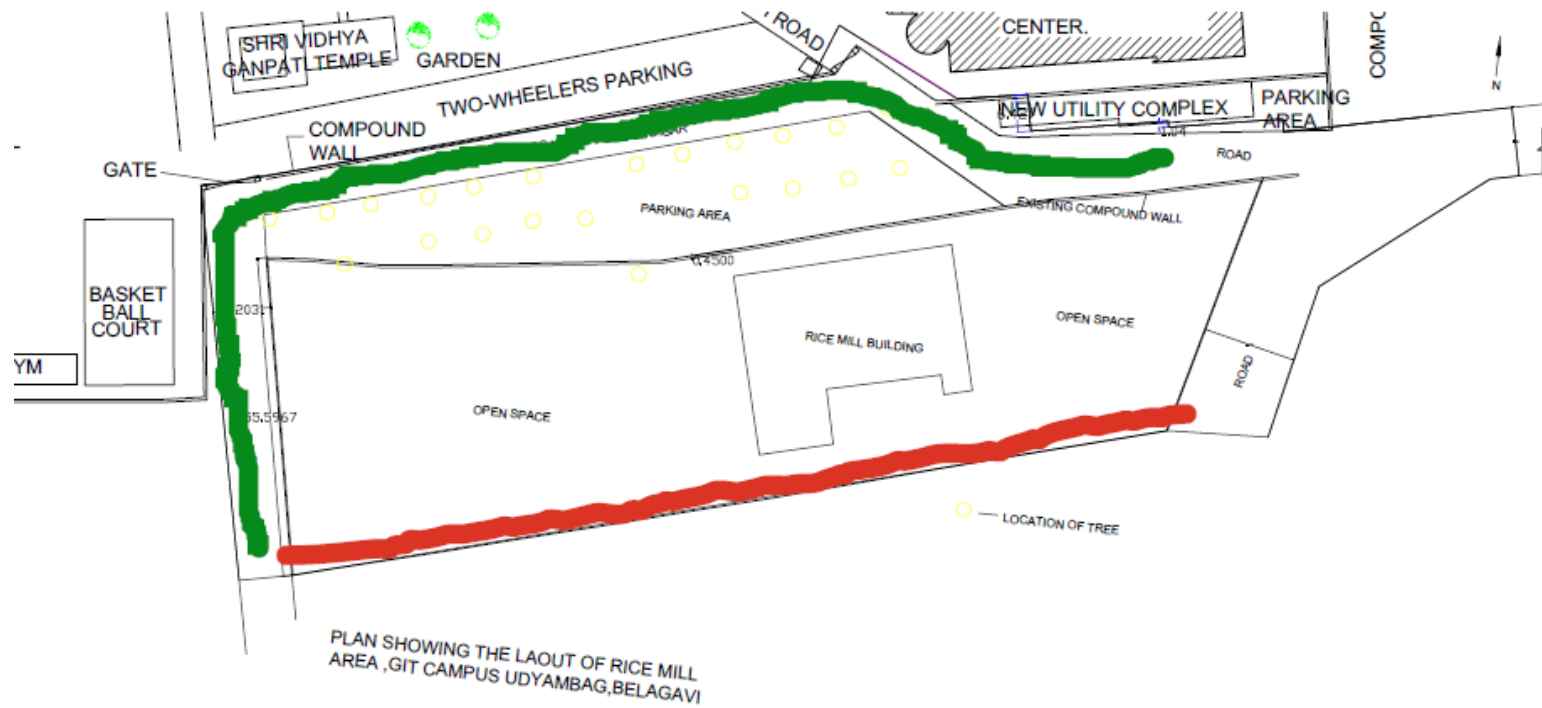

The proposed campus plan in A3 sheet is attached with resolution.

**12 Considered the note regarding sanction of surrender leave encashment for the year 2024**

**Preamble:** The matter regarding sanction of surrender leave encashment for the year 2024 would be placed in the meeting.

**Discussion & Decision:**

GC noted the details placed in the meeting.

Matter is recommended to The Chairman / Secretaries, KLS for their consideration and approval (Relevant details are attached with the resolution).

Matter is referred to KLS BOM for its information.

**13 Considered letter received from The Indus Entrepreneurs Hubli Chapter requesting for allocation of office space for TiE Hubli at KLS GIT Campus**

**Preamble:** We have received letter from The Indus Entrepreneurs Hubli Chapter requesting for allocation of office space for TiE Hubli at KLS GIT Campus. It is stated in their letter that, TiE (The Indus Entrepreneurs) Hubli is part of the global TiE network, dedicated to fostering entrepreneurship through mentoring, education, networking, and ecosystem support. Their programs have been instrumental in supporting startups, student entrepreneurs, and early-stage innovators across North Karnataka.

**Locating TiE Hubli within the KLS GIT campus will enable several meaningful outcomes:**

- **Stronger Industry-Academia Engagement:** The proximity will help us work closely with students, faculty, and incubation initiatives, bridging academic learning with real-world entrepreneurial experience.
- **Increased Student Access to Mentorship:** KLS GIT students will benefit from direct exposure to TiE's global mentor network, entrepreneur-led sessions, startup clinics, and leadership development programs.
- **Collaborative Programs:** They can jointly organize startup bootcamps, pitch sessions, ideation workshops, and speaker events that align with GIT's academic and innovation goals.
- **Ecosystem Development:** This association will further strengthen the regional startup ecosystem and reinforce GIT's position as a hub of innovation and entrepreneurial development.

This partnership will create long-term value for both institutions and significantly contribute to nurturing the next generation of entrepreneurs.

Hence, it is requested for allocation of a small office space within the KLS GIT campus for TiE Hubli's operations.

**Discussion & Decision:**

GC noted the details placed in the meeting.

GC accepts the request received from TiE Hubli Chapter and permits for allocation of office space for TiE Hubli at KLS GIT Campus.

Dean IRDC is directed to take necessary action in the matter.

Matter is referred to KLS BOM for its information.
