3 MathWorks team visit for MathWorks Credentialing Program

Preamble: MathWorks Campus-Wide License program which provides unlimited use of MATLAB and Simulink to all students, faculty, staff, and researchers, on and off campus, on any device is offered in many institutions/universities in India and Worldwide. MathWorks Credentialing of Campus-Wide Program has been designed to help existing Campus Wide License holders with some artifacts that the institute/university can use to showcase their association with MathWorks and usage of the tools.

KLS Gogte Institute of Technology (KLS GIT), a premier engineering institution affiliated with VTU, Belagavi, has been honored with the prestigious MATLAB & Simulink Campus-Wide License Credential by MathWorks. This recognition lights the institute's commitment to integrating world-class computational tools into its academic and research ecosystem.

"With this credential, KLS GIT joins an elite group of institutions in India, including 22 Indian Institutes of Technology (IITs) and 23 of the top 25 engineering colleges ranked by NIRF, that have embraced MATLAB and Simulink for teaching, learning, and innovation".

Certificates of Appreciation are being awarded by MATLAB to the departments of Electrical & Electronics Engineering, Electronics & Communication Engineering, and Computer Science & Engineering for their proactive adoption of MATLAB-based pedagogy. These departments have played a pivotal role in enhancing student learning outcomes and promoting hands-on experience with industry-standard tools

Selected institutions already awarded this recognition include:

- IITs (all across India)
- RV Institute of Technology & Management, Bengaluru
- BMS College of Engg., Bengaluru
- KLE Technological University, Hubli

Benefits to KLS GIT:

- A custom plaque recognizing the credentials (to be displayed in the office of the dean or principal) and a credentialing certificate (that can be shared with the department head or department)
- Institution or university name displayed on MathWorks Campus-Wide License credentialing web page on MathWorks.com
- Inclusion of institution or university name in MathWorks promotional material (for example, presentations) as a credentialed Campus-Wide License holder
- Opportunity for the institution or university to publish a joint press release about the achievement
- Others include:
 - Better branding
 - Improved industry collaboration
 - An enhanced customer experiences

Department of Aeronautical Engineering is planning to offer a professional elective course titled "Aircraft Systems, Testing, and Manufacturing Processes" (subject code: 22AE744). This course will be taught by the esteemed HAL Management Academy Bengaluru. The fees for this course is Rs. 50,000/- per student. This is the fourth batch which will be undergoing this course conducted by HAL Management Academy. During the course students will be residing at HAL Management Academy campus for two weeks.

The institute supported the last three batches—two of which received 50% fee support along with travel allowances, and one batch that was granted 100% fee support.

We now seek your approval to float this course once again and request your advice on the necessary support to be provided by the institute. Each student has agreed to pay ₹24,000/-

The approximate budget for the course, if the Institute is paying 52%, is as below:

Sl. No.	Details	Approximate Cost (₹)
1	Course fees for 30 students (30 x Rs.26,000)	7,80,000
2	Course registration for faculty (1 x Rs.50,000)	50,000
3	Travelling from Belagavi to Bangalore(to and fro), [1000 x(30 students + 1 faculty)]	31,000
4	Local transport	20,000
Total		8,81,000
