4 Considered the proposal regarding replacement of BOSE Audio System of Silver Jubilee Auditorium submitted by HOD-E & C Engg. Dept. (Ref. : BOM Res. 21 dated 30.12.2023)

Preamble: As per BOM Res. 21 dated 30.12.2023:

Considered Resolution No.3 passed by Scrutiny cum Purchase Committee on 16.12.2023 regarding the proposal for replacement of entire existing Audio System with New System for Silver Jubilee Auditorium KLS GIT. During discussion, it is brought out that the Audio system installed in Silver Jubilee Auditorium is not working efficiently. Few channels/sections of equipment's such as Amplifiers, DSP and Mixers of the Audio system have been damaged and are partially working (not working to their fullest capacity). EPM Cell has checked the same and also the same was inspected by Audio experts/ technician's M/s Chatura AV Innovations, Bangalore/ Davangere and they proposed to replace the entire existing Audio system with new system for the following reasons.

Existing system is an old Setup whereas recent systems use advanced DSP audio processors technology, firmware, etc. Equipments such as Amplifiers, Mixer cannot be repaired due to non-availability of spares.

Further, replacing faulty ones may create compatibility issues

Audio technician / Vendor, M/s. Chatura AV Innovations, Bangalore/Davangere, has submitted a report on existing Audio System of KLS GIT along with proposal for replacing the existing Audio system with new BOSE make system, amounting to 32 Lacs, approximately. Quotation received from the vendor is attached. Further, it is reported that there is a budgetary provision to meet this expenditure.

Scrutiny cum Purchase committee has recommended to the BOM to consider the same, in principle, for replacement of entire existing Audio System with New System for Silver Jubilee Auditorium KLS GIT with a direction to the HOD, E & C Engg. Dept, KLS GIT to resubmit the proposal to the Governing Council, KLS GIT along with the detail specifications, considering the requirement, as suggested in the meeting. (Explore alternate agency also).

After discussion, it is hereby resolved to note the same with directions to The Principal, GIT/ HOD, E & C Engg. Dept., KLS GIT to take action as suggested by the Committee during its meeting.

Accordingly, EPM Cell has collected fresh quotations with additional technical details from M/s. Chatura AV Innovations, Bengaluru/Davangere for BOSE Audio System proposed for Silver Jubilee Auditorium of KLS GIT. The vendor has proved report on the usage of working gadgets in existing BOSE Audio system. The details are as under:

Sl. No.	Details	Quantity	Remarks
1	Amplifier QSC 5050	1	Channel A is working
2	Amplifier QSC 1450	2	Channel A is working
3	Allen Heath Mixer	1	4-5 Channels are working
4	Speakers	8	Can be used with low volume in smaller or lesser seating capacity Hall/Room after proper servicing

Also, EPM Cell has contacted various vendors and collected quotes for different make Audio System in Silver Jubilee Auditorium from the following vendors:

Sl. No.	Vendor Name	Brand Name
1	M/s. Chatura Innovations, Bengaluru / Davangere	BOSE
2	M/s. Astik Home Cinema, Belagavi	JBL/Harmon
3	M/s. Multi Systems, Belagavi	Yamaha

Discussion & Decision:

GC had elaborate discussion with EPMC staff and suggested to get quotes from two more reputed brands like Sennheiser and similar.

Matter is deferred.

5 Considered proposals received from vendors for Digital Marketing and Publicity

Preamble: As we prepare to commence the admission process for the academic year 2024, starting with the Karnataka Common Entrance Test (KCET) in April 2024, it becomes imperative to initiate the digital advertisement campaign for the academic year 2024-25. In light of this, quotations from various agencies have been solicited.

The plan is to run the advertisement campaign for six months, spanning from March 2024 to August 2024, encompassing both undergraduate (UG – regular + lateral) and postgraduate (PG) admissions.

Key considerations include:

- i. The digital advertisement agency will charge both agency fees and advertisement fees on a monthly basis. The agency fees will vary among agencies based on the quality of service or leads generated for admissions.
- ii. Advertisement fees are contingent upon the monthly expenditure on digital advertisements, considering metrics such as appearances, views, clicks, and leads on platforms like Meta, Google, WhatsApp, and YouTube. This amount is exclusively paid to the mentioned platforms, with no portion going to the agency.
- iii. The selection of the digital advertisement agency can be based on:
 - a) Monthly agency fees (quantitative factor)
 - b) Previous history of the agency (qualitative factor)

The advertisement charges will be distributed on a monthly basis, alongside the expenditure bill, including the agency charges. The digital advertisement campaign has proven to be satisfactory, and can be recommended for its continuation for the academic year 2024-25.

Following vendors have submitted quotes for Digital Advertisement for the year 2024-25:

1. M/s. Masterwits Solutions, Belagavi
2. M/s. Brains Media Solutions Pvt. Ltd., Belagavi
3. M/s. ATIL (Artallur Technologies India LLP), Belagavi
4. M/s. Reputes Business Solutions, Belagavi

Hence, it is requested to consider the proposal and guide us in this regard.

Discussion & Decision:

GC had elaborated discussion with the vendors. GC has requested vendors to come back with revised quotes where a commitment is made on the minimum number of admissions.

Matter is deferred.

- 6 **Considered the proposal regarding finalization of agency for aluminum partition work of CSE Faculty Room submitted by Dean Infra. & Planning (Amount Involved: ₹2,97,650/-)**

- 11 **Considered the proposal regarding purchase of Stereo Microscope for Composite Materials Lab. submitted by HOD-Mechanical Engg. Dept. (Amount Involved: ₹2,00,000/-)**

Preamble: The Composite Materials Lab plays a pivotal role in providing students with hands-on experience and fostering a deeper understanding of the subject matter. A stereo microscope is an essential tool for conducting detailed examinations of composite materials, allowing students to observe and analyse the microstructure of various materials with precision.

The benefits of introducing a stereo microscope into our lab include:

1. **Enhanced Learning Experience:** A stereo microscope provides a three-dimensional view of specimens, enabling students to explore the intricacies of composite materials in greater detail. The magnification and depth perception offered by a stereo microscope contribute to more accurate observations and measurements during lab experiments.
2. **Encouragement of Scientific Inquiry:** A stereo microscope encourages students to develop a sense of curiosity and scientific inquiry as they investigate the microstructures of different composite materials.

Considering the aforementioned advantages, it is requested to support in approving the purchase of a high-quality stereo microscope for our Composite Materials Lab.

12 Considered the proposal regarding permission to visit Sparkline Industry, C4i4 (Centre for Industry 4.0) and Bector Automation submitted by HOD-Mechanical Engg. Dept. (Amount Involved: ₹99,000/-)

Preamble: HOD-Mechanical Engg. Dept. submitted proposal regarding permission to visit Sparkline Industry, C4i4 (Centre for Industry 4.0) and Bector Automation. It is stated that, as a part of AME (Association of Mechanical Engineers), we would like to visit Sparkline Industry, C4i4 (Centre for Industry 4.0) and Bector Automation industries at Pune during February 1st week. A total of 42 students and 4 staff will be attending the visit.

About the Industries:

1. Sparkline is a leading Crane Manufacturer and Exporter in India for more than 25 years, providing a turnkey solution for all material handling industries.
2. The Centre for Industry 4.0 (C4i4) Lab is focused on creating widespread and definitive awareness of the industrial revolution among the Indian manufacturing.
3. Bectochem is one of the leading manufacturers of pharmaceutical process equipment for solid and liquid dosage forms in India. With 30 years of experience

Overall, an industrial visit will be a unique learning experience, practical exposure, and insights into the Design & Industry 4.0 operations, technology, and career opportunities. It can broaden horizons, inspire innovation, and provide a solid foundation for individuals interested in pursuing a career in the Design and Automation related industries.

Hence, we are requesting you to permit us to visit the industries in Pune cited above in the first week of February. The tentative expenses for the same is around ₹99,000/- This may be accounted under Department industry visit head.

21 Considered the note regarding vacation of teaching staff members submitted by Dean Academics – Development

Preamble: Faculty members have been requesting for a vacation & the same was discussed in the HOD meeting held on 25 Jan 2024.

A vacation was given from 26-09-2022 to 08-10-2022 (both days included) to faculty members in Sep-Oct 2022.

In 2023- the following 2 slots of vacation were given, wherein 50% of the confirmed vacational teaching staff availed vacation in the first slot & remaining availed in the second slot:

- Slot 1- 13 to 27 April 2023 (both days included)
- Slot 2- 28 April to 12 May 2023 (both days included)

In 2024, considering the academic & exam schedules the following 2 slots of vacation can be given, wherein 50% of the confirmed vacational teaching staff will avail vacation in the first slot & remaining will avail in the second slot.

It is proposed to give vacation to the faculty of B.E./B.Arch./B.Sc./M.Tech.:

- Slot 1 -1 to 10 Feb 2024 (both days included)
- Slot 2- 12 to 21 Feb 2024 (both days included)

However, the vacation is subject to the following conditions:

- i. That they shall not switch off their cell phone and shall be available on phone.
- ii. All exam related activities like invigilation & valuation, academic activities and any assigned activities shall be carried out irrespective of the vacation.
- iii. Faculty have to ensure that college work assigned by HOD/Dean/Principal is carried out diligently and shall not be hampered due to vacation.

Discussion & Decision:

GC noted the details placed in the meeting.

After brief discussion, GC accords approval for declaring vacation for teaching staff of B.E./B.Arch./B.Sc./M.Tech (MCA & MBA will be dealt separately as their academic calendar is different) as per the following details:

- Slot 1 -1st to 10th February 2024 (bdi) –for 50% of eligible faculty
- Slot 2- 12th to 21st February 2024 (bdi)-remaining 50% of eligible faculty

GC also opined that, the teachers must be available for the institute related assignments during the vacation period.
