Discussion & Decision:

GC noted the admission details of 2023-24 and also noted the fees assumed while preparing the budget. GC gave few suggestions.

The proposed detailed fee structure for 2024-25 will be worked out by Registrar GIT & team and will placed before GC in the subsequent meeting.

Matter is referred to KLS BOM for its information.

4 Considered the proposal regarding Digital Advertisement and Publicity

Preamble: As we prepare to commence the admission process for the academic year 2024, starting with the Karnataka Common Entrance Test (KCET) in April 2024, it becomes imperative to initiate the digital advertisement campaign for the academic year 2024-25. In light of this, quotations from various agencies have been solicited.

The plan is to run the advertisement campaign for six months, spanning from March 2024 to August 2024, encompassing both undergraduate (UG – regular + lateral) and postgraduate (PG) admissions.

Key considerations include:

- i. The digital advertisement agency will charge both agency fees and advertisement fees on a monthly basis. The agency fees will vary among agencies based on the quality of service or leads generated for admissions.
- ii. Advertisement fees are contingent upon the monthly expenditure on digital advertisements, considering metrics such as appearances, views, clicks, and leads on platforms like Meta, Google, WhatsApp, and YouTube. This amount is exclusively paid to the mentioned platforms, with no portion going to the agency.
- iii. The selection of the digital advertisement agency can be based on:
 - a) Monthly agency fees (quantitative factor)
 - b) Previous history of the agency (qualitative factor)

The advertisement charges will be distributed on a monthly basis, alongside the expenditure bill, including the agency charges. The digital advertisement campaign has proven to be satisfactory, and can be recommended for its continuation for the academic year 2024-25.

Following vendors have submitted quotes for Digital Advertisement for the year 2024-25:

1. M/s. Brains Media Solutions Pvt. Ltd.
2. M/s. ATIL
3. M/s. Reputes Business Solution
4. M/s. Maddoz Creative Production
5. M/s. Brand Raga
6. M/s. Studio Ikigai

Hence, it is requested to consider the proposal and guide us in this regard.

Discussion & Decision:

Publicity coordinator attended the meeting. After discussion, GC has suggested few modifications. Publicity coordinator to re-submit proposal in the ensuing meeting.

		Total ₹15.20 Lacs
With buyback (ODUs) ₹10,600/-		BB-Total ₹15.09 Lacs
Option II: DAIKIN (Replacement of ODUs only by shifting them to CC Bldg., terrace)		
Replacement of Outdoor units (46 HP)	03 Nos.	12.87 Lacs
Low side replacement, installation, dismantling, Gas Refilling, etc.	03 Nos.	02.97 Lacs
		Total ₹15.84 Lacs
With buyback (ODUs) ₹10,600/-		BB-Total ₹15.73 Lacs
Option III: DAIKIN (Replacement of ODUs & IDUs by keeping the ODUs on ground, present location)		
Replacement of Outdoor units (46 HP) & Indoor units	03 / 22 Nos.	24.95 Lacs
Low side replacement, installation, dismantling, Gas Refilling, etc.	03 / 22 Nos.	03.15 Lacs
		Total ₹28.10 Lacs
With buyback (ODUs) ₹29,700/-		BB-Total ₹27.80 Lacs
Option IV: DAIKIN (Replacement of ODUs & IDUs by shifting ODUs shifting to CC Bldg., terrace)

Minutes of the meeting of the Governing Council of KLS GIT (Engg. Section)
Held on Tuesday, February 13, 2024, at 04.00 P.M. in Governing Council Room of KLS GIT

Replacement of Outdoor units (46 HP) & Indoor units	03 / 22 Nos.	24.95 Lacs 03.79 Lacs
Low side replacement, installation, dismantling, Gas Refilling, etc.	03 / 22 Nos.	Total ₹28.74 Lacs
With buyback (ODUs) ₹29,700/-		BB-Total ₹28.44 Lacs

B. Kiran Aircon, Belagavi : Buyback (BB) offer ₹1,00,000/- :

Has offered to buy-back the ODU's (3 Nos.) and IDUs (22 Nos.) along with copper piping (complete setup):

Work Description	Qty.	M/s. Kiran Aircon, Belagavi
Replacing whole DAIKIN setup with BLUESTAR make VRV AC with ODUs on terrace		
Replacement of Outdoor units (46 HP 3 units) & Indoor units	03 / 22 Nos.	20.55 Lacs
Low side replacement, installation, dismantling, Gas Refilling, etc.	03 / 22 Nos.	09.46 Lacs
		Total ₹30.01 Lacs
Buyback Offer/ less ₹1,00,000/-		BB-Total ₹29.01 Lacs

Discussion & Decision:

While this proposal is for an amount greater than ₹3.0 Lakhs, GC assessed factors that pressed for urgency having started out with an intent to go just for repairs:

- Independent assessments, including one from Daikin, indicated that it would be better to replace the entire system rather than undertake piecemeal repairs.
- The impact on placement season and expected heat that would make placement sessions unbearable.
- Being able to complete the entire transaction before 31/Mar/2024.

Hence, only as a one-time exercise, and to save time, GC requested quotations for Option IV from, and had detailed discussion with the representatives/dealers of Daikin and Bluestar companies. The negotiated rates from these two vendors are as follows:

- DAIKIN - ₹ 26.00 Lakhs (includes old copper piping)
- KIRAN AIRCON - ₹ 26.50 Lakhs (all new)

After discussion and negotiation, it is recommended to:

- Place order with M/s Kiran Aircon, Belagavi at a total cost not exceeding ₹26.5 Lakhs for replacement of entire AC unit under buyback scheme.

- b. Furthermore, since budgetary allocation for the same does not exist since this was an unexpected expenditure, we request the Board's guidance vis-à-vis reallocation of unspent amounts toward the same.

Matter is referred to KLS BOM for its consideration and approval.

6 Discussed about fee fixation format received from DTE for the academic year 2024-25

Preamble: We have received a Circular No. DTE-ADMI0ACM1/2/2024 dated 22.01.2024 from Director, Department of Technical Education, Bengaluru regarding fee fixation format. It is stated in the circular that, the fees to be collected from students of 2024-25 shall be fixed based on the data furnished by college in the format provided by DTE. The format is exhaustive which includes expenditure for infrastructure, salary, and other expenses. The format also includes projected and planned expenses for 2024-25.

The data to be sent is very important and may be deciding factor in fixing student fees. Therefore, it is requested that, the format and data filled in it needs to be scrutinized/examined thoroughly before sending it to Fee Fixation Committee.

Discussion & Decision:

GC noted the details placed in the meeting.

GC directed Registrar GIT to place it before the next GC with complete calculations.

Matter is referred to KLS BOM for its information.

7 Discussed about the email received from Mr. Sidyant Kumar, who is appointed as Assistant Professor in Aeronautical Engg. Dept.

Preamble: As per GCR No. 03 dated 23.01.2024, GC has appointed Mr. Sidyant Kumar as Assistant Professor in Aeronautical Engg. Dept. of KLS GIT. Accordingly, Appointment Order No. GIT/BGM/2023-24/3886 dated 07.02.2024 was emailed to Mr. Sidyant Kumar.

In response to this, he has sent the following email:

'Respected Principal Officer,

I sincerely thank you for providing me with the opportunity, but I present a salary (INR 45,000) I am getting from IIT Kanpur. Given the current situation and the salary offered, it's not possible to accept the current offer.

However, should you be able to provide a salary of around INR 50,000 upon the completion of my thesis, I am open to reassessing the offer. I await your response regarding the same. Again, thank you for considering my application and credentials.'

Discussion & Decision:

GC noted the details placed in the meeting.

This matter was also discussed in KLS BOM meeting dated 03.02.2024.

After discussion, GC recommends KLS BOM to accord approval to appoint Mr. Sidyant Kumar as Asst. Professor in Aeronautical Engg. Dept. with a gross salary of ₹50,000/-pm in the AICTE VI pay scale.

- 15 **Considered the proposal regarding purchase of 75-Inch Interactive Display Panel, Conference Camera, Movable Trolley and accessories submitted by HOD-E & C Engg. Dept. (Amount involved: ₹2,60,000/-)**

Preamble: HOD-E & C Engg. submitted proposal regarding purchase of 75-Inch Interactive Display Panel, Conference Camera, Movable Trolley and accessories. It is stated that, this addition facility is crucial to enhance the learning experience for our students and facilitate more effective teaching methods. It is crucial in disciplines such as electronics, interactive simulations, virtual experiments, and collaborative problem-solving sessions, transforming passive learning which enhances the faculty to present intricate engineering concepts with clarity and detail. It can be utilized for workshops, industry expert lectures, adjunct faculty lectures, seminars, webinars and online training sessions more effectively. This will ensure continuity in education and provide flexibility for both faculty and students.

The details of the setup required along with estimate is as mentioned.:

Sl. No.	Description	Amount (₹)
1	75" Interactive panel Android OS 11, 4GB RAM, 64 GB ROM	₹1,70,000
2	OPS 11 Gen, 8GB RAM, 256 GB SSD HDD, Wi-Fi, HDMI etc.	₹30,000
3	Conference camera 4K, built-in mic, speaker	₹35,000
4	MS steel trolley with shelves to mount display	₹15,000
5	HDMI, C type USB cables & other accessories	₹10,000
	Total	2,60,000

Hence, it is requested to accord approval for purchase of 75-Inch Interactive Display Panel, Conference Camera, Movable Trolley and accessories and sanction ₹2,60,000/- towards the same.

17 Considered the proposal regarding purchase of 75-Inch Interactive Display Panel, Conference Camera, Movable Trolley and accessories submitted by HOD-Aeronautical Engg. Dept. (Amount involved: ₹2,60,000/-)

Preamble: HOD-Aeronautical Engg. submitted proposal regarding purchase of 75-Inch Interactive Display Panel, Conference Camera, Movable Trolley and accessories. It is stated that, the proposed equipment enhances the Flight Simulator Lab's and Avionics Lab's capabilities by providing advance visualization, remote collaboration, and flexible setup options. It enriches the learning experience for studying Aeronautical Engg. by offering immersive, interactive, and technologically advanced training opportunities in flight simulation and aviation education.

It can be utilized for workshops, industry expert lectures, adjunct faculty lectures, seminars, webinars and online training sessions more effectively. This will ensure continuity in education and provide flexibility for both faculty and students.

The details of the setup required along with estimate is as mentioned.:

Sl. No.	Description	Amount (₹)
1	75" Interactive panel Android OS 11, 4GB RAM, 64 GB ROM	₹1,70,000
2	OPS 11 Gen, 8GB RAM, 256 GB SSD HDD, Wi-Fi, HDMI etc.	₹30,000
3	Conference camera 4K, built-in mic, speaker	₹35,000
4	MS steel trolley with shelves to mount display	₹15,000
5	HDMI, C type USB cables & other accessories	₹10,000
	Total	2,60,000

Hence, it is requested to accord approval for purchase of 75-Inch Interactive Display Panel, Conference Camera, Movable Trolley and accessories and sanction ₹2,60,000/- towards the same.

Office Note: The budget details are as under:

1	Department	Aeronautical Engg. Dept.

19 Considered the proposal regarding purchase of resin 3D printer in place of Furnace accessories and consumable from SEED amount granted submitted by HOD-Mechanical Engg. Dept.

Preamble: As per BOM Res. 07 dated 01.07.2023 states as:

Considered GC Resolution No. 3a dated 13.06.2023 of KLS GIT (Engg. Section), Belagavi recommending to sanction ₹10,00,000/- towards SEED money for carrying out Research and upgrading Microwave Materials Processing Laboratory. During the meeting, it is brought out that, the department of Mechanical Engg. is constantly striving at the Institute to conduct research that matches World standards. With limited resources, World-class research papers and patents are produced in a few years, supporting the accreditation and ranking efforts of KLS GIT. Further, in order to accelerate the efforts and enhance the outcome, the department need to upgrade the result-delivering research laboratory (Microwave Materials Processing Lab). It houses 6 Ph.D. students (2 full time and 4 part time research scholars) apart from undergraduate students. The new processing and testing setups along with consumables need financial support to realize it. There is a provision in the Institutes R & D policy to allocate SEED money (up-to ₹ 10 Lakhs) for such initiatives.

Hence, Governing Council has recommended the proposal to BOM with a request to sanction an amount of ₹10,00,000/- towards seed money for carrying out research and upgrading Microwave Materials Processing Laboratory. Further it is reported that there is a budgetary provision to meet this expenditure. The phase wise up-gradation plan is as under:

Sl. No.	Phases (half Yearly)	Equipment and Consumables	Estimated Expenditure in Lakhs
I	Year 1 – First Half	Cryogenic Ball mill and Tenso-meter setup with consumables	₹ 7 Lakhs
II	Year 1- Second half	Furnace accessories and consumables	₹ 1.5 Lakhs
III	Year 2 – Third Half	Furnace accessories and consumables	₹ 1.5 Lakhs
		Total	₹ 10 Lakhs

After discussion, it is hereby resolved to accord approval in principle for carrying out Research and upgrading Microwave Materials Processing Laboratory and sanctioned ₹10.00 Lakhs towards the same. Further, Governing Council, KLS GIT is authorized to call for quotations, negotiated with the agencies and send a detail report to BOM for further consideration.

Now HoD Mechanical has submitted as under:

- As per approval, the major test equipment amounting to ₹7,00,000/- (Sl. No. I) is on the verge of getting delivered this month.
- The remaining money (Sl. Nos II+III) was to be used for Furnace accessories and consumables in batches of ₹1,50,000/- each making up to a total of ₹3,00,000/-.
- Further, as per GCR No. 11 dated 06.02.2024, GC has recommended KLS BOM to accord approval to procure portable Induction Heating Setup which fits approximately within ₹1,50,000/- in place of Sl. No. III, Furnace accessories and consumables.

- One of the main objectives of Microwave Materials Processing Lab. is developing innovating techniques for producing Metallic Foams through resin printing, powder coating, followed by microwave sintering. This work is undertaken with the help of two Ph.D. students and it holds significant promise for patent acquisition. To facilitate the work, it is proposed to purchase a dedicate resin 3D printer (LCD type based on Masked Stereo-lithography) with an estimated cost of ₹1.5 Lakhs.
- Therefore, it is requested to grant permission to procure resin 3D printer (LCD type based on Masked Stereo-lithography) with an estimated cost of ₹1.5 Lakhs. in place of Sl. No. II [Furnace accessories and consumables] in the above table.

Discussion & Decision:

GC noted the details placed in the meeting.

After discussion, GC recommends the proposal to KLS BOM with a request to accord approval to procure resin 3D printer (LCD type based on Masked Stereo-lithography) with an estimated cost of ₹1.5 Lakhs. in place of Sl. No. II [Furnace accessories and consumables] in the above table.

20 Considered the proposal regarding conduct of ASME Membership Drive 2024-25 submitted by HOD-Mechanical Engg. Dept.

Preamble: ASME KLS GIT Student section requests permission for organizing the membership drive for the year 2024-25. ASME is a renowned organization that provides valuable resources, networking opportunities, and professional development for students interested in Mechanical Engineering. Membership benefits includes monthly technical magazines, 3 ASME - certified learning courses, and access to engineering textbooks in softcopy.

It is also planned to provide assistance with the membership registration process during the drive. This initiative aligns with the commitment to promoting academic excellence, and providing students with access to industry-related networks.

Membership fee stands at ₹1,250/- per head and option for 25% discount for bulk registrations. In this regard, it is requested to collect the registration fee on our chapter's Vice-Char's account and it is assured that proper account will be maintained.

Discussion & Decision:

GC noted the details placed in the meeting.

GC permits for the same and advised HOD-Mechanical Engg. Dept. to collect the amount in KLS GIT's Official Account.

22 Considered the proposal regarding appointment of three (03) contractual faculty for Biology for Engineers course in 4th Semester B.E. submitted by Dean Academics – Development

Preamble: Dean Academics – Development submitted proposal regarding appointment of three (03) contractual faculty for Biology for Engineers course in 4th Semester B.E. It is stated that, there is a 3 credit (3 hours per week) course by the name Biology for Engineers for all 7 B.E. departments in the 4th semester of 2022 scheme.

In total for the academic year 2023-24, students in 13 divisions will be undergoing the course & for the academic year 2024-25, students in 14 divisions will be undergoing the course.

- In 2023-24 even semester-Total number of classes per week =13X3=39 hr.
In 2024-25 even semester- Total number of classes per week =14X3=42 hr.
- On an average 13 hours of teaching load has to be taken by 1 faculty every week.
- It amounts to 52 hours of teaching load per faculty per month.
- If we pay ₹500 per class for guest faculty, it would amount to ₹26,000 per month.
- However, if we take contractual faculty for a period of 5 months, it would amount to ₹25,000 per month. In addition, they would be available for CIE entry, invigilation, exam work etc.

Considering the above, it is suggested to recruit three (3) faculty members on a contractual basis (for 5 months) in the even semester starting 3rd week of March (tentatively 18 March 2024).

- **Qualification of the candidate:** M.Sc. (Chemistry or Biology specialization)
- **Experience:** 1 year preferred (Teaching)

GC is requested to consider the proposal and permit us to recruit 3 contractual faculty for the subject Biology for Engineers.

Discussion & Decision:

GC noted the details placed in the meeting.

After discussion, GC recommends the proposal to KLS BOM with a request to accord approval to recruit three (3) faculty members on a contractual basis (for 5 months) in the even semester starting 3rd week of March (tentatively 18th March 2024).

26 Discussed about the revenue details of cancelled seats for the year 2022-23 submitted by Registrar, KLS GIT

Preamble: In the academic year 2022-23, few admission cancellations were there. Out of which, few vacancies were created for change of branch. Since Admission Cycle and Change of Branch formalities are now completed the following two cases are brought to the attention of the Governing Council:

A) Mr. Vinayak Metrani (USN:GIT22CS057):

As per BOM Res. 09 dated 08.09.2023, BOM has resolved as under:

RESOLUTION NO.9

Considered Governing Council Resolution No.23 dated 29.08.2023 of GIT (Engg Section) Belagavi regarding applications submitted by (i) Mr Vinayak A Metrani , CSE Dept and (ii) Vinayak C Dandin, Civil Engg Dept for cancellation of Admission. During discussion, it is brought out that Mr Vinayak Anish Metrani is selected in top US University and hence he wants to discontinue the course. Further, Mr Vinayak C Dandin is not able to clear the exams and hence he wants to discontinue the course.

After discussion, it is hereby resolved to accord approval for discontinuation of course by Mr Vinayak A Metrani, subject to recovery of dues from him as recommended by Governing Council, GIT. Further, it is hereby resolved to accord approval for cancellation of admission, subject to recovery of arrears of fees of Rs.5,24,960/- . Principal, GIT is directed to take necessary action in the matter. (WR)

GC noted details placed in the meeting. GC resolved to authorize KLS Secretary Member of the GC, and Chairman GC to bring about a suitable resolution to the matter. Matter is referred to KLS BOM for its information.

B) Mr. Babu Laxman Ainapure (USN:2GI22IS011):

As per BOM Res. 7 dated 15.07.2023, BOM has resolved (excerpts below) as under:

After discussion, it is resolved that upon cancellation of seat, original documents may be returned to the candidate/parent and if the seat has fallen vacant, steps to be taken to recover/collect the balance course fee without linking it to the return of original documents. In view of the peculiar facts and circumstances, the Institutions are hereby directed to obtain an undertaking through an agreement from student/parent to pay the entire course fee in case the seat falls vacant causing loss if the seat is cancelled midstream. Accordingly, Principal, GIT is requested to issue a letter to (i) Mr Babu Laxman Ainapure – ISE Engg and (ii) Mr Omkar Anil Bulbule – E&C Engg , requesting them to pay the balance course fee of Rs.11,25,000/- and Rs.5,39,760/- within one month, failing which to initiate steps for recovery from the candidates / parent . In the meantime, the original documents – Marks Card, TC shall be returned.

GC seeks permission to authorize KLS Secretary Member of the GC, and Chairman GC to bring about a suitable resolution to the matter. Matter is referred to KLS BOM for its consideration and approval.
