3 Considered the proposal regarding Digital Advertisement and Publicity

Preamble: As we prepare to commence the admission process for the academic year 2024, starting with the Karnataka Common Entrance Test (KCET) in April 2024, it becomes imperative to initiate the digital advertisement campaign for the academic year 2024-25. In light of this, quotations from various agencies have been solicited.

The plan is to run the advertisement campaign for six months, spanning from March 2024 to August 2024, encompassing both undergraduate (UG – regular + lateral) and postgraduate (PG) admissions.

Key considerations include:

- i. The digital advertisement agency will charge both agency fees and advertisement fees on a monthly basis. The agency fees will vary among agencies based on the quality of service or leads generated for admissions.
- ii. Advertisement fees are contingent upon the monthly expenditure on digital advertisements, considering metrics such as appearances, views, clicks, and leads on platforms like Meta, Google, WhatsApp, and YouTube. This amount is exclusively paid to the mentioned platforms, with no portion going to the agency.
- iii. The selection of the digital advertisement agency can be based on:
 - a) Monthly agency fees (quantitative factor)
 - b) Previous history of the agency (qualitative factor)

The advertisement charges will be distributed on a monthly basis, alongside the expenditure bill, including the agency charges. The digital advertisement campaign has proven to be satisfactory, and can be recommended for its continuation for the academic year 2024-25.

Following vendors have submitted quotes for Digital Advertisement for the year 2024-25:

1. M/s. Brains Media Solutions Pvt. Ltd., Belagavi
2. M/s. ATIL, Belagavi
3. M/s. Brand Raga, Bengaluru
4. M/s. Studio Ikigai, Bengaluru

Hence, it is requested to consider the proposal and guide us in this regard.

Discussion & Decision:

GC resolved to shortlist two of these agencies for final consideration:

Sl. No.	Agency Name	Agency Fees for Six (06) Months (₹)
1	M/s. Brains Media Solutions Pvt. Ltd., Belagavi	5,23,920/-

It is stated in the circular that, the fees to be collected from students of 2024-25 shall be fixed based on the data furnished by college in the format provided by DTE. The format is exhaustive which includes expenditure for infrastructure, salary, and other expenses. The format also includes projected and planned expenses for 2024-25.

The data to be sent is very important and may be deciding factor in fixing student fees. Therefore, it is requested that, the format, and data filled in it needs to be scrutinized/examined thoroughly before sending it to Fee Fixation Committee.
