Preamble: We are in receipt of letter dated 23.02.2024 from Rtn. Jaideep Siddannavar, President, Rotary Club of Belagavi requesting to KLS GIT become co-operating agency for execution of Rotary International Grant Project.

It is stated in the letter that, Rotary Club of Belagavi is chartered in the year 1941 and since then they are engaged in execution of many projects under community service to address the local needs, projects under vocational service to develop vocational skill and generate employment, and under international service to foster world understanding and peace.

They are planning a project to establish a "Centre for English Excellence" for Economic Empowerment at KLS GIT in Belagavi. The city of Belagavi is a developing town surrounded by many villages. There is lot of student population in and around Belagavi. Most schools are in vernacular language till SSLC. However, the pre-university, and university education is compulsorily in English. Due to this reason communication familiarity and excellence in English assumes wide importance.

To undertake this project Rotary Club of Belagavi will be thankful to KLS GIT to be part of this project as a cooperating agency to execute the said project in Belagavi. In this regard, it is requested to accept a proposal to work with Rotary Club of Belagavi for the said project.

Rotary Club of Belagavi will seek to obtain money through Rotary International Grant that covers the cost of equipment required to establish the said center. KLS GIT will have to identify space, type of equipment required and resource persons for the project.

Benefits to KLS GIT:

- i. Uniquely position itself as a Higher education institution that also caters to the need of the society especially youth, for communication skills enhancement leading to better career avenues and contribute to the economic empowerment.
- ii. This will be similar to Rotary Global Grant projects (Netradarshan EyeBank, KLE SkinBank, KLE Dialysis Centre) that Rotary has successfully executed in Belagavi with an educational entity, KLE, as Cooperating Agency in two of the three cases.
- iii. Co-branding with Rotary International increases visibility, reach, and recognition.
- iv. Our students at KLS GIT, sister KLS institutions, and other institutions in the area get an in-house facility to improve their soft skills and English

communication skills preparing them for better career avenues through success at campus placements.

Commitments from KLS GIT:

- i. Creation of a project proposal, in conjunction with Rotary Club of Belgaum, for establishment of this Centre and submitting the same to Rotary for further process of grant approval
- ii. If the proposal is approved, utilize the same for the establishment of the Centre of Communication Excellence.
- iii. The Centre is to be operated & managed by KLS GIT on a no profit no loss basis. Fees charged should cover the expense of hiring teachers/resource persons, operational expenses, etc.
