6 Discussed about BOM Res. 45 dated 06.04.2024 regarding Service Bond

Preamble: The excerpts of BOM Res. 45 dated 06.04.2024 are as under:

RESOLUTION NO.45 / 06.04.2024

Discussed the matter regarding Execution of Service Bond / undertaking by the Employees to serve the Institution for a minimum period of two year from the date of confirmation. During discussion, it is brought out that as per Chapter 2 – Rule 3 (viii), Clause regarding “Service Bond” is as under:

“At the time of confirmation, Teaching Staff shall execute a minimum period of 2 years from the date of confirmation, failing which he / she shall be liable to pay full salary for the remaining period as quantified liquidated damages. A similar clause shall be incorporated in the offer of appointment to the effect that upon confirmation, the employees / Teaching Staff shall execute a Service Bond to serve the Institution for a minimum period of two years upon confirmation, failing which to pay full salary for the remaining period. Provided that in exceptional cases BOM may waive this condition.

However, the provision also gives discretion to the Board to waive this condition in deserving cases.

It is observed in recent past that the Teaching Staff are reluctant to execute such a bond, since execution of such bond is preventing them to get benefit of future opportunities elsewhere and they are inclined towards tendering resignation etc.

After discussion, it is hereby resolved to request the Governing Councils of KLS GIT, VDIT and IMER to jointly review and discuss the matter regarding pros and cons of the Service Bonds and its impact on service Conditions of faculty and submit a Report to BOM on or before 25th April, 2024. Principal / Director of KLS GIT, VDIT and IMER are directed to take necessary action and to co-ordinate in the matter. After receipt of the report, the matter will be placed before the Board to take a call as to whether the aforesaid service condition is required to be modified/reviewed/removed.(WR)
