Agenda

- How do we attract even better students to improve cutoff ranks for admissions at the first year level ?
- What are other colleges that we typically compete with (say RV, PESIT, BMS, MSRIT, BVB, etc.) doing in these fields that we can think of incorporating ?
- Anything else that can be done uniquely by KLS GIT ?

PROCEEDINGS

The Chairman, GC(E) Shri Rajendra Belgaumkar made opening remarks as follows:

The purpose of the meeting is to develop a positive actionable set of initiatives to be gradually taken over a reasonable time frame, say 3 – 5 years, for the future for KLS GIT. It will be a forum where all positive ideas will be heard in full. This is the first meeting and we may have to have few more meeting to crystallize the ideas.

HoD ISE explained his experience at the recent visit to Dayanand Sagar University (DSU) Bengaluru. At DSU

- i) the curriculum by mathworks is adopted. Most of the subjects have MATLAB implementation which gives hands-on experience.
- ii) the entrepreneurial mindset is encouraged by providing the requisite echo system.

HoD EC presented the efforts taken by their department as follows:

- i) Giving students experiential learning by replacing simulations with hands on of building circuits and testing the same
- ii) Working with KPIT and Nanocells industries for internship, project and industry based courses.

Minutes of the meeting with HODs of Circuit Branches (CSE, ISE, EC, and EE)
Held on Thursday, June 20, 2024, at 03.30 P.M. in Governing Council Room of KLS GIT

HoD CSE presented the salient points pertaining to the agenda.

- i) Reasons for increasing cut off rank like location, institutional factors, HK quota, hostels and international intake.
- ii) The comparison of cut of ranks of GIT with similar stature institutes in Bengaluru and in our neighboring areas.
- iii) Strengths of KLS GIT like low faculty attrition, efforts for industry collaboration, encouragement to technical activities (hackathons, trainings and workshops)
- iv) Suggested strategies like strengthening internships opportunities, competence development programs, effective marketing and outreach, perception score.

HoD EE brought out the efforts of the department as follows:

- i) Electric Vehicle –Center of Competence (EV-CoC) is being establish and will become functional in a month's time.
- ii) Talks are on with Schneider electric for the establishment of Schneider lab at GIT
- iii) Many of the incoming students are from rural vernacular background, the department is taking up hand holding and confidence building curricular and extracurricular activities on a regular basis.

Principal opined that we should focus on skill development of both faculty and students, experiential learning & industry internships. He highlighted that the students and faculty are being encouraged to take up the NVidia courses.

Chairman GC(E) in his concluding remarks said that KLS GIT

- i) shall take necessary steps to connect to Global competency centers (GCC). Organisations are increasingly turning to GCCs as strategic initiatives to drive operational excellence, access new talent pools and leverage emerging technologies.
- ii) shall prepare a calendar for regularly conducting the hackathons in various areas.

During the meeting, Dean Academics – Development presented the following details:

- A. List of certification programs offered by each circuit branch department (including how many times it was offered, and how many students [from branch, and other branches] participated in each offering).
- B. List of electives offered by each circuit branch department (including how many times it was offered, and how many students [from branch, and other branches] participated in each offering).
- C. List of 3 – 5 Cutting edge topics that the circuit branch department would like to offer as either an elective or a certification program.
- D. List of 3 - 5 highly placed alumni that they (each circuit branch) would like to (or already have) establish (ed) connect with.
- E. List of electives/courses being offered in association with companies.

Discussion & Decision:

GC noted the details placed in the meeting.

Matter is referred to KLS BOM for its information.

contribution to COMEDK for the academic year 2024-25. The amount is to be paid in the form of DD payable to KUPECA, Bangalore and COMEDK, Bangalore respectively.

GC is requested to sanction ₹45,000/- towards subscription fee of KUPECA and COMEDK.

Discussion & Decision:

GC noted the details placed in the meeting. Detailed discussion was held regarding fee structure of management and COMEDK.

After discussion, GC resolved to:

- a. Note the hike in the CET and COMEDK Fee Structure
- b. Recommend KLS BoM to accord approval to charge lower CET fee (Tuition) of ₹76,135/- and higher COMEDK fee (Tuition) of ₹2,61,477/- as per Option - I.
- c. Recommend KLS BOM to accord approval to the following fee structure for the academic year 2024-25:

• **COMEDK Quota:**

With reference to KLS BOM Res. 30 dated 09.03.2024. only the Management quota fee of Mechanical (ME) and E & E Engg. (EE) Dept. is proposed to be increased from ₹1.50L to ₹1.75L, while all others remain same.

GC requests BOM guidance in this matter since 45 students have already paid ₹1.50 Lakhs each for 30 (Mgmt. Quota) ME seats and 15 (Mgmt. Quota) EE seats:

- Should these students be asked to pay an additional ₹25,000/- each
OR
- Should only those students who take admission after this point (due to seats opening up due to shift in category from existing Mgmt. Quota allocation to other categories) be asked to pay ₹1.75 L each.

d. GC also requests BOM consideration and sanction an amount of ₹45,000/- towards subscription fee of KUPECA and COMEDK.

Matter is referred to KLS BOM for its consideration and approval.

5 Considered the proposal for fast-track remuneration submitted by Controller of Examination

Preamble: The gist of the report submitted by Controller of Examination is as under:

The FASTRACK semester for the year 2022-23 was completed by February-2024. This time the number of students appearing for the FASTRACK has drastically reduced due to VTU policy (2021- onwards schemes) for allowing the students to appear in BACKLOG exams in immediate next semester exams. Due to which as per the previous policy of KLSGIT for remuneration distribution the faculty members are not able to get any reasonable remuneration. Details of the same are as below:

SL. NO.	PARTICULARS	2020-21 (₹)	2021-22 (₹)	2022 23 (₹)
1	Number of Students	1222	1197	1110
2	Fees Collected	55,37,500	60,91,500	49,22,411
3	Less KLS GIT Share 50% of total collected	27,68,750	30,45,750	24,61,206
5	Less Mandatory Payment made towards exam conduction	8,57,685	10,93,313	13,23,275
6	Balance for Staff Remuneration towards conduction classes and labs	18,14,100	19,48,980	11,37,930
7	No. of Theory hours	4,566	6,268	7,160
8	No. of Practical sessions	54	103	137
9	No. of Teachers involved	210	200	205
10	Remuneration per hour for theory	350	260	130
11	Remuneration Amount per practical course	4,000	3,100	1,450
12	Balance amount transferred to KLS GIT after disbursement	96,965	3,457	8,480

From the above table (in last column) it is clear that for FASTRACK 2022-23 faculty is getting a remuneration of ₹130 for theory and ₹1,450 for lab course conducted (including Faculty & Non-teaching staff). This amount does not appear reasonable compared to the efforts put in by faculty members & staff.

In this regard to, it is proposed to have following policy for FASTRACK Remuneration distribution:

Sl. No.	Particulars of Expenses	Proposed Rate of Remuneration
	Theory Classes Conduction (Max 30 hours) - Number of Students in a Division for a Course is 1 to 50 - Courses from different Schemes with 80% Same Syllabus is being considered as One Course. - The Remuneration is irrespective of number of students registered for a particular course and based on actual classes conducted.	₹300/- Per Lecture Hour (MAX 30 Theory Hours)
	Laboratory course Conduction (Max 7 sessions): ₹200/- to the Faculty handling Lab	₹300/- Per Lab course

Minutes of the meeting of the Governing Council of KLS GIT (Engg. Section)
Held on Tuesday, June 25, 2024, at 04.00 P.M. in Governing Council Room of KLS GIT

2	b. ₹100/- to the Technical Staff assisting in the Lab.	(MAX 7 lab sessions)
---	--	-----------------------------

With proposed remuneration of ₹300 per hour (Max 30 hours) for theory and ₹2,100/- for lab course(max 7 sessions) the remuneration amount to be paid increases from ₹11,29,450/- to ₹24,35,700/-. Hence GIT 's share reduces from ₹24,61,206/- (50%) to ₹11,54,956 /- (23%).

Discussion & Decision:

GC noted the details placed in the meeting by Controller of Examination. After detailed discussion

- i. GC recommends to KLS BOM to approve the proposal for the fast-track 2022-23 as one-time measure.
- ii. The fee hike for fast-track will be explored from the next academic year.

GC forwards the proposal to KLS BOM for its consideration and approval.

10 Considered the proposal regarding replacing old MS Windows at Staircase locations in Main building submitted by Dean Infra. & Planning (Amount Involved: ₹2,52,000/-)

Preamble: Dean Infra. & Planning submitted proposal regarding replacing old MS windows at Staircase locations in Main Building. It is stated that, the old MS windows at the staircase in Main Building are not in good condition and needs to be replaced on urgent basis to avoid any mishaps during monsoon season. The major reasons are :

- Broken glasses at many locations which cannot be fixed
- In monsoon, there is water ingress through them which can cause harm to the UPS and batteries which are placed below staircases.
- Many window frames are rusted

It is proposed to replace them with Aluminum sliding windows. The estimated cost for replacing the windows is ₹2,52,000/-.
