B. BEMCIEL Plot Details:

- I. As per BOM Res. No. 35 dated 04.06.2022, KLS BOM has accorded approval for establishing Industrial Incubation Centre at BEMCIEL Plot. The excerpts of the BOM Res. 35 dated 04.06.2022 are as under:

RESOLUTION NO. 35 / 04.06.2022

Considered Governing Council Resolution No.21 dated 23.05.2022 of KLS GIT (Engg Section) dated 23.05.2022 regarding the proposal for establishing industrial incubation Centre at BEMCIEL Plot – Survey No.703 (i)336/1 Plot No.2 , measuring 1552.06 sq.mtrs of Majgaon Village, During discussion, it is brought out that the BEMCIEL plot is more suitable for the construction of Industrial Incubation Center in the KLS GIT campus as it is connected with the road.. Further, Governing Council has recommended to the BOM to approve the proposal for establishing Industrial incubation Center at BEMCIEL Plot.

After discussion, it is hereby resolved to accord approval for establishing INDUSTRIAL INCUBATION CENTRE at BEMCIEL Plot – Survey No.703 (i)336/1 Plot No.2, measuring 1552.06 sq.mtrs of Majgaon Village. Further, the Arch. Dept, GIT is directed to prepare plan and submit the same to BOM within a period of one month. Principal, GIT is directed to take necessary action in the matter.

- II. The City Corporation, Belagavi vide Building Permission No. BGM-LBPAS-24252/23-24/BP dated 23rd May 2024 has accepted permission for construction of building in BEMCIEL Land.
- III. Further, as per GCR No. 03 dated 18.06.2024, GC resolved as under:
- i) Utilization of the space will be as per BOM Resolution No. 35 dated 04.06.2022.
 - ii) Department of Architecture will work out internal details of the proposed building, and submit a report within a fortnight. They are requested to visit such sites.
 - iii) The matter of structural design will be considered after the details are obtained from the Architecture department as mentioned in (ii) above.

Discussion & Decision:

During the meeting,

- Ar. Nikhil Bastawadkar, Assistant Professor, Architecture Dept. shared details and images of the two leading Incubation Centres he has recently visited at the urging of GC – T-Hub in Hyderabad (India's largest Incubation Centre); & Hubballi's Deshpande Startups.
- Thereafter, he presented the drawing for proposed construction of Industrial Incubation Centre at BEMCIEL Site.

GC noted the details placed in the meeting and directed Ar. Nikhil Bastawadkar to submit elevation, and other details to GC in a fortnights time.

Matter is referred to KLS BOM for its information.

- 9 **Considered the proposal regarding conduction of multidisciplinary Faculty Development Program on “Semiconductor Nanotechnology” submitted by HOD-Chemistry Dept. (Amount involved: ₹2,90,000/-)**

Preamble: HOD-Chemistry Dept. submitted proposal regarding conduction of multidisciplinary Faculty Development Program on “Semiconductor Nanotechnology”. It is stated that, Semiconductor Nanotechnology is at the forefront of modern technological advancements, impacting a wide array of fields. These devices have promising applications in many fields, such as solar cells, nanoscale electronic devices, light-emitting diodes, laser technology, waveguide, chemical and biosensors, packaging films, superabsorbents, components of armor, QLED, OLED etc.

Hence, Department of Chemistry and Centre for Nanoscience and Nanotechnology would like to conduct an FDP (three days) tentatively in the month of September /October to train the interested faculty and equip them with the knowledge and skills needed in this cutting-edge field.

In this regard, Chemistry Dept. is in touch with Academicians from IISc, IIT, NIT, and Scientists from industries. The target audience would be faculty members of science and engineering streams and Industrialists. We are limiting the number of participants to this FDP to 40 on first come first basis. The approximate budget for this FDP would be ₹2,90,000/-.

Sl. No.	Particulars		Amount in (₹)
1	Food expenses (breakfast and lunch) for three days. (40 participants + Speakers + Organizers and Volunteers)	70 members	60,000/-

10 Considered the proposal regarding establishing of AI/ML Lab. submitted by HOD-CSE Dept. (Amount involved: ₹21,25,000/-)

Preamble: HOD-CSE Dept. submitted proposal regarding establishing of AI/ML Lab. It is stated that, department of CSE coming up with a new branch CSE AI/ML for the academic year 2024-25 with an intake of 60 students.

For an intake of 60, we need 24 systems (60X4/10) as per AICTE requirement. To support this new program effectively, we require a dedicated space to set up a new AI/ML laboratory. In this regard, it is requested to make a provision for establishing the AIML lab.

The Objectives and requirement of the said lab are as under:

Objectives:

- To provide a hands-on learning environment for AI/ML students.
- To introduce advanced technological tools of AI/ML.

Following are the details of proposal:

Sl. No.	Nature of Work	Estimated Budget in ₹
1	Computer Systems i-7, 16GB RAM, 4 to 8 GB Graphic Card, 512 GB SSD & other standard features – 25 numbers	21,25,000/-
	Total	21,25,000/-

It is requested to consider the proposal and sanction ₹21,25,000/- towards the same.

These expenses will be accommodated in the supplementary Budget of 2024-25 of Computer Science (AI/ML).

12 Considered the proposal regarding extension of Lab. No. 4 and Lab. No. 9 submitted by HOD-CC (Amount involved: ₹6,95,000/-)

Preamble: HOD-CC submitted proposal regarding extension of Lab. No. 4 and Lab. No. 9. It is stated that, the IT Block was established in the year 2013-14. There are total 13 Labs housed in IT Block with seating capacity varying from 25 to 65 with respect to the room size. To cater the requirement of providing computing facility for newly approved branch CSE (AI/ML), and to establish Skill Development Lab for CSE/ISE/CSE (AIML Branch), it is proposed to expand the Lab. No. 4.

Following are the details of the said proposal.

Lab. No.9: This Lab. is having triangle shaped area with 200 Sq. ft. approx. It is being used as a maintenance, & storeroom, later converted into a Lab. to facilitate the online meetings, M.Tech. viva-voce & Research review committee meetings for Ph.D. research scholars, etc.

Lab. No.4: This Lab is measuring a total area of 1050 sq. ft. approx. with 48 seating capacity, which is being used by Civil Department along with other Departments. It is observed that, the Lab. being 48 seating capacity, and the size of the divisions are 60-65 students, the laboratory sessions are conducted in a staggered manner (the branches with 120 intake uses 3 different slots and branches with 60 intake uses 2 different slots). It is proposed to expand Lab. No.4 and Lab. No. 9.

- To provide computing facility for newly approved branch of **CSE (AI/ML)**.
- To create a free space of 30 seating capacity for establishing Skill Development Lab for CSE/ISE/CSE(AIML), to comply the mandatory requirement of VTU to establish a separate Skill Development Lab.
- This will also facilitate the departments to plan the practical sessions for one full division (65+) at one stretch.

This proposal of expanding the Lab.4 has been discussed with the HOD Architecture, Dean Infrastructure, Production Department, Energy Cell, and they have provided the details of nature of work and cost estimation to carry out this proposal. The details are as under:

Nature of Work and corresponding expenses:

Sl. No.	Nature of Work	Approx. per unit Cost ₹	Estimated Budget ₹	Estimation prepared by
1	Civil related work: Removing adjacent wall, new aluminum partition, flooring work, false ceiling work, painting etc. (Copy attached)	-	1,80,000/-	Civil Maintenance Cell.
2	Refurbishing of existing furniture of Lab.No.9 to match with the furniture of Lab.4 (Copy attached)		70,000/-	Production Center.
	25 chairs for students for expanded lab area	2,600/-	65,000/-

13 Considered the proposal regarding inspection of electrical systems, transformer, and panels installed at KLS GIT campus submitted by HOD-E&E Engg. Dept.

Preamble: HOD-E & E Engg. Dept. submitted proposal regarding inspection of electrical systems, transformer, and panels installed at KLS GIT.

The gist of the report submitted by HOD-E & E Engg. Dept. is as under:

1. Steps being taken for Periodic / Preventive Maintenance:

i. Generators Maintenance:

- Annual services of all Six Diesel Generator units
- Oil Change, Filter change, Greasing
- Starter battery condition
- Any other issues
- Fire extinguishers is kept in generator room

ii. HT yard and Transformer:

- Cleaning of HT yards quarterly
- KLS GIT Substation Transformer oil filtration and top-up in every year
- Yearly maintenance of CT and PT of main 11 kV transformer
- Replacement of silica gel in breather of main transformer
- All panels are caged with iron mesh with rubber mat
- Fire extinguishers is kept in HT yard

iii. Panels/ Electrical Systems:

- Cleaning of all electrical panels with air blower
- All the four panels of main building were replaced with new one having MCB and earth leakage circuit breaker
- Checking earth resistance at various earthing pits in the campus
- Lightning arresters are installed at main building, back building, and hostels.
- Solar power plant is monitored on daily basis.
- Compliance to the annual report of Electrical Inspectorate.
- Replacement of faulty MCB by the new one with properly accessed ratings to ensure isolation during faults
- All our panels are loaded 50 to 60 % hence heat dissipation is low.

2. Precautionary Measures proposed:

- Current Year: Replacement of control panel of mechanical building and MBA/Arch.
- Next Year: Replacement of wiring of ground floor, first floor of main building and mechanical building
- Hostels: For Both hostels in campus AMC is given to Maruti Winders, however our staff attends the all-electrical issues immediately over phone call by rector.
- UPS Maintenance: All ups maintenance is managed by Computer Centre.
- Lift: All lift AMC is given to respective companies of lifts
- Water leakages at generator room (informed to dean infra)
- Water leakages near switch boards, lighting system & fan during rainy season is major concern.

Discussion & Decision:

GC noted the details placed in the meeting. GC directed HOD-E & E Engg. Dept. to submit a detailed report on action to be taken with estimated expenses in the GC meeting of 27.08.2024.

Matter is referred to KLS BOM for its information.

16 Considered the letter requesting for incubation space at KLS GIT received from Mr. Omprakash Jat, Director, Blink42 Technologies Pvt. Ltd, Belagavi

Preamble: We have received letter dated 26.07.2024 from Mr. Omprakash Jat, Director, Blink42 Technologies Pvt. Ltd, Belagavi requesting for incubation space at KLS GIT. It is stated in their letter that, Blink42 is a software consultancy startup founded by Omprakash Jat and Piyush Airani, Alumni of KLS GIT, with a vision to empower educational institutes with cutting-edge technology. Their mission is to become the leading provider of innovative tools, and services tailored to the needs of the education sector.

Key points about Blink42:

- They are a software consultancy focused on serving educational institutions.
- Their vision is to help educational institutes stay ahead by integrating modern technology. Their mission is to deliver high-quality solutions that address the unique challenges faced by schools and colleges.
- They have developed YellowShuttl, a fleet tracking management service currently in pilot testing at KLS Gogte Institute of Technology.
- YellowShuttl makes it easier and convenient for students to commute to college, increases the ridership of college bus service, and provides the college with advanced fleet management software for data driven management.
- YellowShuttl has received very positive feedback from students, and drivers during the pilot.

In turn, Blink42 can bring immense value to the institute by:

- Providing access to cutting-edge fleet management technology through YellowShuttl. Offering internship and project opportunities for students to gain real-world experience.
- Collaborating with faculty on research and development in the education-technology domain.
- Enhancing the institute's reputation as a hub for innovation and entrepreneurship.

Discussion & Decision:

GC noted the details placed in the meeting.

After discussion, GC resolved to allot incubation space to Mr. Omprakash Jat, Director, Blink42 Technologies Pvt. Ltd, Belagavi.

Dean IRDC is to take necessary action in the matter.
