4 Discussed about Fast-track fee revision submitted by Controller of Examination

Preamble: Controller of Examination submitted proposal regarding Fast-track fee revision. It is stated that, the FASTRACK 2023-24 FOR new scheme will start very soon and as per last year scenario, the number of registrations is decreasing for 2021 scheme onwards.

Presently, we have following model:

Sl. No.	UG/PG	1 st & 2 nd Course	3 rd & 4 th Course	5 th Course onwards
1	UG	₹1,500/-	₹2,500/-	₹3,000/-
2	PG	₹2,000/-	₹3,000/-	₹4,000/-

In view of dwindling registration numbers, it is requested to approve equal course registration fee for all the Fast-Track courses for UG & PG.

Discussion & Decision:

GC noted the details placed in the meeting.

After discussion, GC recommends KLS BOM to accord approval to charge flat ₹2,500/- per student per course for fast-track registration, both UG and PG, applicable from fast-track 2023-24 New scheme onwards.

GC also requested CoE Dr. Umesh Kulkarni to implement FastTrack Data in MasterSoft to minimize use of Spreadsheets for important calculations.

5 Discussed about the report on 3rd floor of Library Building at KLS GIT submitted by Dean Infra. & Planning

Preamble: To address the issues faced in Library Building top floor like slab heating, and water leakage, it was proposed to cover the terrace area (30,000 sq. ft.) of the building by considering two options:

- Option 1- Sheet roofing - Line Estimate (₹90 lakhs)
- Option 2- Conventional RCC floor – Line Estimate (₹600 lakhs)

The following table shows the events happened in the past for option 2:

Year	Action	Remarks
2018	Permission for construction of 3 rd floor over Library Building was obtained (Less than 15 m)	• 3rd floor height 10 feet • Validity of permission is lapsed
2019	Applied for fresh Building permission for above 15m	• Pending at CCB due to requirement of NOC from Pollution board (STP)
2021	Attempt was made again	• Pending at CCB due to requirement of NOC from Pollution board (STP)

Discussion & Decision:

GC noted the details placed in the meeting.

After discussion, Dean Infra. & Planning is directed to estimate, to make the comparison equitable, the cost for RCC structure having columns, beams, and slab only which will be similar to the sheet roofing. The estimation be placed in the next GC meeting.

Matter is referred to KLS BOM for its information.

- 9 **Considered the proposal regarding estimation of electrical work to be carried out in Phase-I in KLS GIT campus submitted by HOD-E & E Engg. Dept. (Amount involved: ₹20,38,000/-)**

Preamble: HOD-E & E Engg. Dept. has prepared the estimation of electrical work to be carried out in phase-1 in KLS GIT campus excluding hostels. The work includes replacement of main panels of Mechanical, MBA, Architecture building & Auditorium and also replacement of wall mounted distribution boards in main & mechanical building since these distribution boards and panels are almost 40-year-old and needs replacement.

These installations will assure protection from short circuit and safeguards the system during faults. Also, the various earthing pits have submerged in new construction & renovation work. In this context, it is proposed for providing new earthing pits to ensure the safety.

Following table shows the brief summary of estimation of proposed electrical work in phase-1:

Sl. No.	Item Description	Quantity	Approximate Cost (₹)	Remarks
1	Main panel of Mechanical, MBA, Architecture building & Auditorium	04	6,15,000/-	Panels are approximately 25-year-old, and installed during building construction, and needs replacement as a safety measure.
2	Wall mounted distribution board	27	8,10,500/-	These distribution boards are approximately 40 years old, and needs replacement as a safety measure.
3	Earthing pits	20	6,00,000/-	Earthing pits were laid since inception however, few of these earthing pits are covered during new construction & renovation work. It is difficult to maintain & check healthiness of earthing pits as soil resistance will increase & effectiveness of earthing will be lost.
4	Naming of all panels section wise		12,500/-	
	Total Cost		20,38,000/-	

Phase-2 work which includes replacement of wiring of ground floor, first floor of main building and mechanical building and few panels in generator room will be undertaken in the next year.

GC is requested to consider the proposal and sanction ₹20,38,000/- towards the same. Presently, there is no budgetary provision available for the said work.

Discussion & Decision:

GC noted the details placed in the meeting. Matter is referred to The Screening Committee-KLS for its consideration.
