4 Considered the proposal regarding conduct of four-week internship program under EV-COC submitted by HOD-E & E Engg. Dept.

Preamble: E & E Engg. Dept. proposes to start an internship program under the Electric Vehicle Centre of Competence (EV-COC) in collaboration with Decibels Lab. Pvt. Ltd. It is stated that, as the world shifts towards sustainable energy solutions, the electric vehicles are gaining immense traction, and it is essential for our students to be equipped with the necessary skills to thrive in this emerging field.

The proposed internship course would be of 4 weeks duration, providing students with comprehensive training, and exposure to the latest technologies in electric vehicles. M/s. Decibels Lab. Pvt. Ltd, a renowned expert in the field, would bring their industry expertise, and resources to the table, ensuring our students receive the best possible learning experience.

A. Details of proposed internship is as follows:

Weeks	Description
Week-1	Foundation to Electric Vehicle technology
Week-2	MATLAB scripting 1-D simulation
Week-3	MATLAB Simulink for system modelling
Week-4	Power train modelling
Project based assessment	

B. Fee structure for proposed internship:

Sl. No.	Category	Fees (₹)
1	KLS GIT Students (Chosen by Merit)	₹1,400/- (Paid by KLS GIT)
2	Non- KLS GIT students	₹5,000/-

The proposed internship will have 2 batches of maximum 20 students each.

For non-KLS GIT students, Revenue generated from proposed internship will be shared as 65% to KLS GIT & 35% to M/s. Decibels Lab Pvt Ltd. as per MoU.

This internship course would be a valuable addition to our institution's offerings, and hence GC is requested to accord approval for the same.

Discussion & Decision:

GC noted the details placed in the meeting.

GC accepts the proposal and permits to float four-week internship program under EV-COC. KLS GIT students will pay a deposit of ₹1,000/- each at the time of registration. The deposit of ₹1,000/- will be refunded to KLS GIT students who successfully complete the internship.

In a batch of 20 students, at-least 5 shall be non KLS GIT candidates.

HOD-E & E Engg. Dept. is to take necessary action in the matter.

Matter is referred to KLS BOM for its information.

5 Discussed about incubation consultant for KLS GIT Incubation submitted by Dean IRDC

Preamble: Dean IRDC submitted proposal regarding consulting arrangement with Mr. Gajendra Tripathi, a highly experienced professional in the field of business incubation and entrepreneurship development. His extensive expertise could be of immense value to the students and faculty, particularly those interested in entrepreneurship, innovation, and startups.

Mr. Tripathi has successfully guided several startups through various stages of development, and is well-versed in building incubation ecosystems. His approach to nurturing ideas, and transforming them into viable businesses aligns with the goals of our institution's focus on entrepreneurial education.

His major experience in the domain includes:

- a. Manager, Startup Innovations & Community T-Hub, (the world's largest innovation campus) Hyderabad.
- b. Community Manager, IKP Knowledge Park & K-tech Innovation Hub, Belagavi, Bengaluru
- c. Built a startup Eco-system in a Tier II city from scratch. Handled the project for the Government of Karnataka.
- d. Assisted in building sustainable business models, and funding support through schemes like NIDHI Prayas, BIG BIRAC and Elevate for early-stage startups

Our expectations from consulting Agreement:

- a. Providing inputs to build startup ecology at KLS GIT.
- b. Guidance and assistance in seeking central government funds for various programs.
- c. Getting entrepreneurs/startup founders to KLS GIT on weekly or fortnightly basis.
- d. Attracting Startups to projected Incubation Center at KLS GIT.
- e. Arranging startup education sessions at KLS GIT for Staffs and students.
- f. Projecting and formally consulting fees for month.

The targets obtained in the due course could help us for substantial increment accordingly. GC is requested to guide us in this regard.

Discussion & Decision:

GC noted the details placed in the meeting.

Considering the recommendation of Dean IRDC regarding need of consultant for Incubation Centre, GC recommends KLS BOM to appoint Mr. Gajendra Tripathi as Consultant for the proposed KLS GIT Incubation Centre for a period of three months. He will be paid a consulting fee of ₹35,000/- pm.

6 To seek permission for the constitution of Incubation Advisory Committee for KLS GIT submitted by Dean IRDC

Preamble: Dean IRDC submitted proposal seeking permission for the formation of an Incubation Advisory Committee (IAC) at KLS Gogte Institute of Technology (KLSGIT) to support the growth and development of our institution's incubation initiatives.

The establishment of a structured advisory committee will provide invaluable guidance and strategic oversight for our incubation Centre. The primary objectives of this committee would include:

- Offering expert advice on startup selection, mentorship, and capacity building.
- Facilitating industry partnerships and collaborations.
- Supporting fundraising and resource mobilization efforts.
- Ensuring alignment of our incubation activities with the broader vision of the institution.

The members of this advisory committee would ideally comprise industry experts, seasoned entrepreneurs, academic representatives, and other stakeholders from relevant sectors. This diverse expertise will ensure a holistic approach to the incubator's development, benefiting both our students, and budding entrepreneurs.

With the IAC in place, KLSGIT will be better positioned to foster innovation and entrepreneurship, ultimately contributing to the regional startup ecosystem.

The list of members suggestion for IAC.

Sl. No.	Name	Role
