03	Ph.D. Award	15	1,30,000	02	10,000
04	Conference /Workshop/FDP	13	87,416	16	49,575
	Total	89	4,62,416	47	1,80,945

B. Further, Dean IRDC submitted updated R & D Policy for KLS institutions for discussion during the meeting. The highlights of the same are as under:

- i. Research Review Committee (RRC) is framed to track the progress of various research activities and grants at the Institute
- ii. Research Cell is formed which includes the members from GB, Professors from Department, Students, Alumni so that activities percolate to all stake holders. The Cell is the requirement from different accreditation and assessment bodies.
- iii. Incentives proposed based on Journal Quality and author position.
- iv. Revision for Attending International Conference is made.
- v. Registration fees to the skill upgradation like FDP, STTP, Workshops etc. is proposed with hike in the amount of Registration /TA-DA.
- vi. The formats for all the incentive schemes and registrations are proposed.
- vii. Key Goal is to help improve rankings of KLS GIT in areas such as NIRF.

Discussion & Decision:

GC noted the details placed in the meeting.

During detailed discussion, GC gave few suggestions and requested Dean IRDC to come back to the GC with:

- Identifying a person to look after foreign collaborations, inviting experts and improving visibility of GIT
- Metrics to plot the progress of the research activities.

The updated R&D Policy is referred to KLS BOM for its consideration and approval.

4 Discussed about identifying faculty for Cyber Security of KLS GIT

Preamble: Presently Mr. Venkatesh Patil, System Analyst is managing the cyber security of KLS GIT website. In order to fortify the cybersecurity think tank, it is proposed to add faculty members to the team.

Faculty members identified for Cyber Security of KLS GIT are:

- i. Prof. R. S. Patil, Associate Professor, CSE Dept.
- ii. Prof. Sagar Pujar, Assistant Professor, CSE Dept.
- iii. Prof. Rakesh Kadakol, Assistant Professor, ISE Dept.

Mr. Venkatesh Patil will continue to look after cybersecurity of GIT website along with the above faculty.

GC is requested to guide us in the matter.

Discussion & Decision:

GC noted the details placed in the meeting. GC approves the proposal.

Cyber Security team has to submit quarterly reports to Principal-KLS GIT.

Matter is referred to KLS BOM for its information.

5 Discussed about School of Applied Sciences submitted by HOD-Chemistry Dept.

Preamble: As per the directions from GC (Engg) KLS GIT vide GCR No. 08 dated 24.09.2024, HOD-Chemistry Dept. has prepared a draft proposal for the establishment of School of Applied Sciences at KLS GIT. This initiative aims to enhance our research output and improve our NIRF ranking.

The gist of the report submitted by HOD-Chemistry regarding need for a School of Applied Sciences is as under:

I. Present Challenges:

- a. KLS GIT is not reflecting in the NIRF ranking from last 3 years.
- b. Though KLS GIT has wonderful faculty members, good students and very supportive management but research culture is missing in our Institution.
- c. There is a need to break the barriers between the disciplines and start interdisciplinary research.
- d. It is a challenging task to increase our research output from around 100 papers per year to 500 papers per year.
- e. There is a need to improve our visibility and enhance perception points.

II. Opportunity: Establishing a School of Applied Sciences can enhance our visibility and reputation.

III. Institutes with a School of Applied Sciences and their NIRF ranking (Engineering Category):

Sl. No.	Name of the Institute	NIRF Ranking
1.	Vellore Institute of Technology, Tamil Nadu	11
2.	Kalasalingam Academy of Research and Education, Tamil Nadu	36
3.	Kalinga Institute of Industrial Technology, Odissa	37
4.	IIT Mandi, IIT Bhubaneshwar	31, 54
5.	Manipal University, Jaipur	64
6.	KLE Technological University	151-200 rank-band

IV. Case study:

• **KLE Technological University:**

- Publications 600+ papers per year i.e. 1.6 papers/faculty
- School of Advanced Sciences contributes 200-250 papers/year
- Top 2 scientists in the world 2024 (Stanford University)– seven faculty members are from KLE Tech.

- Approx 80 research publications per year are from B.E. students- Research Projects/Internships.
- There are 6 regular research faculty, 6 retired faculty from KUD and some adjunct/visiting faculty with research credentials.

V. Objectives of School of Applied Sciences:

- Establish a robust Research/academic program in Applied Sciences.
- Enhance research capabilities through collaboration and industry partnerships.
- Create opportunities for interdisciplinary learning and innovation.
- Improve institutional rankings in NIRF, NBA, and NAAC through quality education and research output.

VI. Actionable points to achieve the objectives of school of applied sciences:

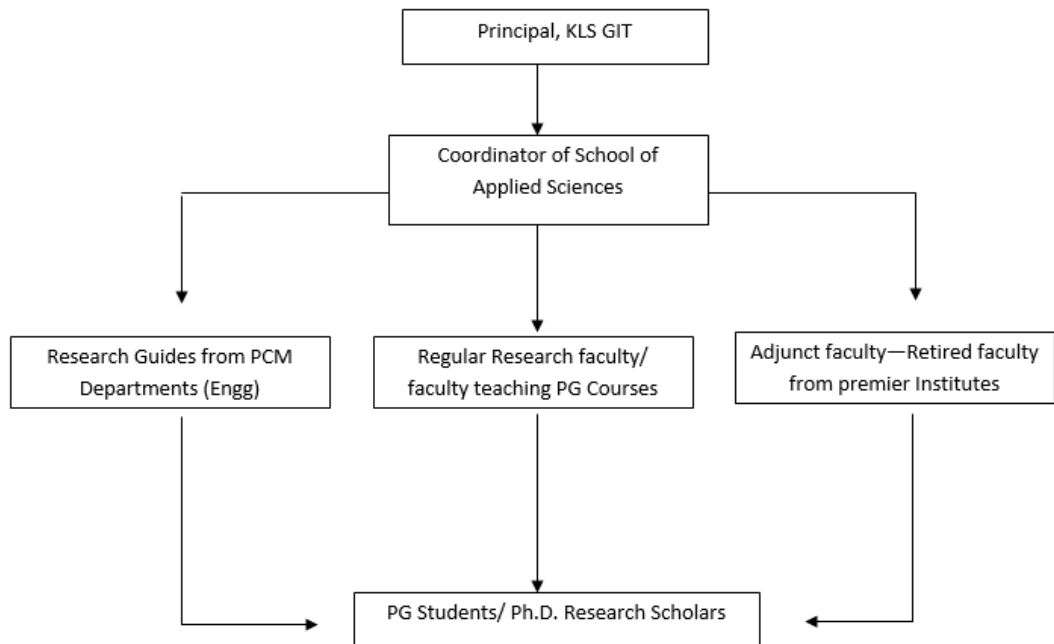

- **Academic Programs:** We aim to establish master's programs in the sciences to attract a larger pool of students, thereby enhancing our human resources for research initiatives
- **Increasing Research output:**
 - We need to appoint young research faculty (recent Ph. Ds), who do only research/regular research students.
 - We need to appoint adjunct faculty (Top 2% Scientist; Regular or retired Professors from IITs/NITs/reputed Institutes) with targets to help to publish at least 10 papers a year per adjunct faculty. This will also help in visibility of the Institute and improve perception.
 - Collaboration with the adjunct faculty institute.
 - Floating research projects and internships for B.E. students.
 - Promote Inter disciplinary and multidisciplinary research.
 - Cultivate an environment conducive to innovation, benefiting both students and faculty.

VII. Estimated Revenue and Expenditure:

- **Total Annual Revenue through M.Sc./B.Sc./Ph.D./Certificate program fees (First Year) : ₹61,00,000/-.**
- **Total Annual Expenditure: Approximately ₹81,60,000 + Infrastructure Costs:**
 - Faculty Costs: ₹57,60,000 (6 adjunct faculty and 6 regular research faculty)
 - Ph.D. Stipends: ₹24,00,000 (10 regular students)
 - Infrastructure Costs: **TBD**

8 Discussed about the feasibility report regarding Incubation Space in respect of Carbine Systems

Preamble: As per GCR No. 19 dated 03.09.2024, GC approves the proposal in principle for sparing Incubation Space to M/s. Carbine Systems. Further, Principal/Dean IRDC is directed to submit a feasibility report in the next GC meeting.

Accordingly, Dean IRDC submitted the following feasibility report:

• **Benefits to KLS GIT:**

- **Internships:** Provide hands-on internships for students in aerospace and defence fields and thereby involve Students Engaging in developing Metal 3D printing machines for real-world experience.
- **Workshops:** Organize events on Metal 3D printing, materials science, and aerospace propulsion, enriching the academic environment.
- **Certification Programs:** Collaborate with KLS GIT faculty to create certification courses that upskill students in emerging technologies, enhancing their employability.
- **Special Guests:** Including investors, industrialists, scientists from PSUs to GIT creating a thriving ecosystem of innovation in the campus.
- **Network:** Connect to the premier institutes and research laboratories.

• **Site Visit by Principal, Dean IRDC, Dean Academic (S & D), and Dean Infra. & Planning:**

- Prototype is already ready.
- They have received funding from various agencies up to 23 Lakhs.
- Previously they were incubated at IIT, Mandi.
- They are associated with IIT (Mandi and Chennai), HAL, DRDO, and ISRO.

- Space of 1200 sq. ft. is identified adjacent to the Canteen of KLS GIT. However, renovation needs to be made to suit the building of larger prototype by Carbine System.
- Architect, Team of Civil Engineers, E&E Engg. Dept., and Computer Center are directed to prepare the design and line estimate based on the requirements.
- Accordingly, Architect prepared the plan and based on the plan, estimate of ₹2,60,000/- was submitted by Civil Engg. Dept. – KLS GIT. The major items include:
