PROCEEDINGS

- 1 **Governing Council noted the Confirmation of Proceedings of GC meeting dated 07.01.2025**
-

- 2 **Reviewed the compliance report of GC Resolutions dated 10.12.2024**

Discussion & Decision:

The Compliance Report of GC Resolutions dated 03.12.2024 was reviewed in the meeting. The Chairman and Members of Governing Council have expressed their satisfaction for the same.

- 3 **Discussed about proposed budget for the year 2025-26**

Discussion & Decision:

GC noted the details of proposed budget of following for the FY 2025-26:

- i) Engg. Section – KLS GIT
- ii) Bachelor of Design (B.Design) Program

During the discussion, GC suggested few changes in the proposed budget.

After incorporating the suggestions given during the meeting, GC permits to forward the budget proposals of Engg. Section and B.Des. Program to KLS BOM for further needful action.

Matter is referred to KLS BOM for its information.

4 Discussed about setting up of Precision Manufacturing Lab. at KLS GIT

Preamble:

- A.** Precision engineering has revolutionized modern manufacturing, offering numerous advantages that make it crucial for industries seeking high-quality, efficient, and cost-effective production.
- B.** By incorporating practical precision engineering into its curriculum, KLS GIT can ensure its graduates are equipped with cutting-edge skills that are highly relevant to today's industrial needs .
- C.** This is particularly important in sectors such as aerospace, automotive, medical devices, and electronics, where precision is critical where precision demanded is tolerances in microns ($1/7^{\text{th}}$ the width of human hair).
- D.** The chart below indicates the current picture of companies and job profiles and related salaries that are on offer in the area of Precision Engineering.
- E.** Currently, these opportunities are not regularly available to students from KLS GIT.

Sample Companies and Job Profiles in the field of Precision Engineering

5 Considered the proposal regarding setting up new lab. in Aeronautical Engineering: Unmanned Aerial Vehicle submitted by HOD-Aeronautical Engg. Dept. (Amount involved: ₹20,03,034/-)

Preamble: HOD-Aeronautical Engg. Dept. submitted proposal regarding setting up new lab. in Aeronautical Engineering: Unmanned Aerial Vehicle. It is stated that, Aeronautical Department is proposing to establish a new Unmanned Aerial Vehicle (UAV) Lab. The proposed location for the lab is BS-14 classroom on the second floor of the Mechanical Building.

This proposal was initially submitted during the previous academic year with an estimated budget of ₹50,12,000/-, which received approval from the KLS BOM vide Resolution No 20 dated 02.09.2023. Following this, vendors were invited for discussions. Further, as per KLS BOM Resolution No. 41 dated 09.03.2024, the scrutiny-cum-purchase committee deferred the matter, citing the need for additional information regarding item specifications from the vendors.

Unfortunately, as the process coincided with the financial year-end, the required information could not be obtained from the vendors in time

Now, Aeronautical Engg. Dept. is reintroducing the proposal for the establishment of the UAV Lab. in the Department of Aeronautical Engineering. During visits to several industries such as Drone Acharya in Pune, General Aeronautics, Zmotions, Gopalan Aerospace in Bangalore, and Sarus Aerospace in Belagavi, they observed that a basic setup for the UAV Lab is essential in the initial phase.

This setup would enable us to familiarize students and faculty with UAV technologies and provide hands-on experience. After one or two years, once the lab has been fully integrated into curriculum and operations, it can be upgraded to a more advanced facility by investing additional funds to meet the growing needs of research and industry applications

This lab is part of 2022 scheme syllabus in the fourth semester (22AECAE454 Unmanned Aerial Systems Lab) and also it can be a part of skill lab. for other semesters.

The amount involved for establishing UAV Lab. is ₹20,03,034/-.

GC is requested to consider the proposal and sanction ₹20,03,034/- towards the same.

Office Note: The budget details are as under:

1	Department	Aeronautical Engg.
2	Budget Head	Lab. Equipment
3	Budget Allocated	₹1,01,32,000
4	Amount Utilized	₹ 48,74,471

After discussion, and in view of the need to start the work of publicity, meeting institutions, parents, teachers, opinion leaders, etc., so that admissions related activity can begin for the 2025 2026 Academic Year the following items were further discussion and related resolutions were made:

Item No.	Matter	Resolution
i.	KLS GIT needs to have persons with suitable titles to represent the institution to parents, teachers, opinion leaders, etc.	Designate Mr. Abhishek Ganeshgudi and Ar. Vijayalaxmi Mathapati as Coordinator and Deputy Coordinator, respectively, for Department of Design at KLS GIT.
ii.	Provision of payment for services rendered to KLS GIT since 1/Nov/2024 by Mr. Abhishek Ganeshgudi and Ar. Vijayalaxmi Mathapati on a consulting basis that will also include, in the future, marketing of the Department of Design to various stakeholder with a view to garnering admissions.	Grant a. A seven-month package, through 31/May, totaling ₹8.4 Lakhs is proposed for Mr. Abhishek Gudi b. A seven-month package, through 31/May, totaling ₹7.0 Lakhs is proposed for Ar. Vijayalaxmi Mathapathi
iii.	Office Space for Consultants that can also contain space for student/parent counseling seeking admissions to the proposed Department of Design at KLS GIT	Designate suitable office space with basic interiors and computers/printers and support staff for the Office of the Department of Design at KLS GIT

Matter is referred to KLS BOM for consideration and approval..

11 Considered the proposal regarding upgradation of Network Infrastructure submitted by HOD-Computer Center (Amount involved: ₹1,54,00,000/-)

Preamble:

The network (the backbone that connects all computers and other related devices and connections to/from the world beyond of KLS GIT) that is available currently at KLS GIT was majorly implemented in 2000-01 with patchwork additions over the years.

In view of this, and as per KLS GIT Resolution No. 06 dt. 01-10-2024, an independent Network Audit of KLS GIT Network Infrastructure was carried out from 28th to 30th October, 2024 by renowned Network Expert, Dr. Gouri Shankar, Chief Coordinator, Data Centre, of B.M.S. College of Engineering, Bengaluru. The Audit covered configuration issues, design flaws, and security holes in the Network design, which included evaluation of the network infrastructure, both wired and wireless, with emphasis on Network Access Control, fibre backbone, and core switch configurations.

Below please find independent recommendations in the network audit report, and related estimated cost, estimated by our staff:

Sl. No.	Recommendations	Cost ₹ (In Lakhs)		Period	Remarks

12 Considered the proposal regarding Data Centre at KLS GIT for completion of NVIDIA GPU Server Setup submitted by HOD-Computer Center (Amount involved: ₹1,75,00,000/-)

Preamble: HOD-Computer Center submitted proposal regarding setup of Data Centre at KLS GIT. It is stated that KLS GIT has purchased the state-of-the-art NVIDIA Server for the AI Exposure to all the Branches. Therefore:

- i. The new NVIDIA GPU Server needs to be installed as per the Data Center standards at the proposed site at the IT Block.
- ii. Also, it was decided to move the existing Server Room KLS GIT's PC Network that was established in the year 2014 into this new Data Center for effective management of computing resources (Items 9 & 10 below are related to this).
- iii. The proposed unified Data Center is beneficial to our Institute to support research and innovation for faculty and students, also this initiative will contribute significantly to our operational efficiency and long-term academic objectives.
- iv. Students will get opportunity to understand state of the art technology.

It is learned that the similar type of Data Center setup has already been established at VTU, Belagavi and BMS College of Engineering, Bengaluru. With reference given from these two Institutes, we have contacted Convergent Wireless Communications Pvt. Ltd., Bengaluru, and Global Infoventures Pvt. Ltd., Noida, who have expertise and have setup data centers at various reputed Institutes. As per their guidance the budgetary estimation required is ₹1,75,00,000/- approx. towards setting up of entire Data Center at KLS GIT.

The breakup of the expenses are as under:

- 13 **Considered the proposal regarding purchase of fully computerized (PC based) Micro-Vickers Testing Machine for Centre of Excellence on Application Development of Microwave Heating Technology submitted by Dr. Vinayak Malik, Associate Professor, Mechanical Engg. Dept. (Amount involved: Dept. (Amount involved: 10,00,000/-)**

Preamble: In light of the evolving research at the Center of Excellence (CoE) on Microwave Heating Technology Applications and needs of research scholars, we wish to procure fully computerized (PC based) Micro-hardness tester.

The same could be used for UG projects and possible consultancy under the trained operator's supervision. Further, creation of advanced testing facilities help attract prospective govt. funds.

The supplementary budget of ₹10 lakhs (for the proposed machine) for the fiscal year 2024-25 was approved in the Annual General Meeting (AGM) vide Resolution No. 3, dated 28/09/2024. With this background, we present the brief description of the estimated expenses for the proposed machine.

Sl. No.	Nature of the machine/equipment with brief description	Estimated expenses in ₹
1	Fully Computerized (PC based) Micro-Vickers Hardness Tester: (Motorized loading and unloading cycle, capable of testing thin sheet metals with wide testing range from soft metals such as lead to hardest like hardened steel, including testing software with statistical evaluation and calibration mode facility) (preferred inclusion of AMC for first two years) Test loads 10, 20, 50, 100, 200, 300, 500 gf	8,00,000
2	Personal Computer (PC): (with tower/case, monitor, keyboard, mouse, and laser printer: CPU INTEL CI3, 10th gen, 8gb ram, SSD 250 GB, 2 GB Graphics, 20" LED, serial port, windows 10, MS office are the expected minimum specs)	2,00,000

37 Considered the proposal regarding disposal of scripts and associated exam records for the academic year 2019-20 & 2020-21 submitted by Controller of Examination

Preamble: Controller of Examination submitted proposal regarding disposal of scripts and associated exam records for the academic year 2019-20 & 2020-21. It is stated that, we need to dispose the scripts & related exam documents, as we need to free up space in Valuation Centre to store the scripts generated for the upcoming exams. Also, as per retention policy, we can dispose the scripts & exam records till academic year 2019-20 & 2020-21 as the students of 2019 & 2020 batch have passed out. However, these records must be destroyed by shredding. The shredding needs to be handled by the vendor in a secure & confidential manner. Once the destruction is completed, disposal certificates need to be provided by the vendor for our records.

Presently, approximately 60,000 scripts (8000 kg. approx.) are available in packets along with other old exam records in files & A4 sheets. In this regard, GC is requested to accord permission to proceed further to call for quotations for Shredding and recycling for academic year 2019-20 & 2020-21.

40 Considered the letter dated 17.01.2025 received from The Chairman and Managing Director, Hyloc Hydrotechnic Pvt. Ltd., Belagavi

Preamble: We have received a letter dated 17.01.2025 from The Chairman and Managing Director, Hyloc Hydrotechnic Pvt. Ltd., Belagavi requesting to spare Silver Jubilee Auditorium of KLS GIT on 2nd February 2025 from 10 AM to 12 PM. It is stated in their letter that, they have invited Mr. Sudhanshu Mani, who is the brain behind Train 18, "Vande Bharat" Express. He was General Manager at Integral Coach Factory, Chennai and during his tenure, he has designed, manufactured, and bought the train on rails before scheduled time. He is considered as Father of Vande Bharat Express. He will be in Belgaum from 31st January to 2nd February 2025.

They have planned to arrange his talk at Silver Jubilee Auditorium of KLS GIT. Hence, they have requested for sparing Silver Jubilee Auditorium of KLS GIT for this event on 2nd February 2025 from 10 AM to 12 PM.

Discussion & Decision:

GC noted the details placed in the meeting.

GC permits to spare Silver Jubilee Auditorium of KLS GIT on 2nd February 2025 from 10 AM to 12 PM to M/s. Hyloc Hydrotechnic Pvt. Ltd., Belagavi to conduct talk of Mr. Sudhanshu Mani.

HoD Mechanical is directed to co-ordinate and be the SPOC for the event.

- 41 Considered the application regarding refund of fees in view of cancellation of seat booking submitted by Mr. Vilas Hoskoti, who have booked a seat under management quota in Mechanical Engg. Dept.**

Preamble: Mr. Vilas Hoskoti (USN 2GI23ME116) was admitted to B.E. under CET Quota in Mechanical branch for the academic year 2023-24. He had taken admission for 2nd year & has paid full fees of ₹1,09,484/-.

Later on, it was found that due to less credit he is not eligible to take admission. Now he has submitted a letter requesting to refund the fees as he has taken a bank loan to pay the fees.

He will pay the fee when he becomes eligible.

Discussion & Decision:

GC noted the details placed in the meeting.

GC permits to refund the fees to Mr. Vilas Hoskoti.

Registrar, KLS GIT is to take necessary action in the matter.

- 42 Considered the application regarding refund of withheld amount in view of cancellation of Management quota seat submitted by Mr. Akhilesh Belgaumkar, Student of M.Tech. (Structural Engg.)**

Preamble: Mr. Akhilesh Y Belgaonkar an ex-student of KLS GIT has completed his B.E. in Civil Branch under SNQ Quota. He had paid ₹1,06,000/- and booked a seat in M.Tech. Structural Engineering under Management Quota.

Later, he got a seat in PGCET Quota in our college. As per the admission policy we have deducted ₹25,000/-. Now he has submitted a letter requesting to refund ₹25,000/- due to financial problem. As per his request letter his father works as a cycle repairer and mother is a housewife. Paying ₹25,000/- would place a significant financial burden on his family.

Discussion & Decision:

GC noted the details placed in the meeting.

Matter is referred to KLS BOM for its consideration and suitable decision in the matter.
