- 8 **Considered the proposal regarding purchase of Digital Signal Procession (DSP) kits setup of the Real-Time DSP Lab. submitted by HOD-E&C Engg. Dept. (Amount involved: ₹15,00,000/-)**

Preamble: HOD- E & C Engg. Dept. submitted proposal regarding purchase of Digital Signal Procession (DSP) kits setup of the Real-Time DSP Lab. Department of E & C Engg. is proposing for the procurement of additional equipment to enhance the learning and practical capabilities of our students in the E & C Engg. Dept. As part of their ongoing efforts to provide hands-on experience with the DSP course, they currently have 10 units of TMS320C6748 LCDK Boards, which were procured during A.Y. 2021-2022. These kits have primarily been used for undergraduate (UG) and postgraduate (PG) courses, exclusively for classroom demonstrations and UG and PG lab conduction.

However, department aims to set up a "Real-Time DSP Lab" to provide students with enhanced hands-on experience and to disseminate state-of-the-art DSP knowledge, encompassing audio, image, and video processing. This lab will enable students to engage in advanced experiments and projects, bridging the gap between theoretical knowledge and practical applications. Additionally, the lab facility can be utilized to conduct laboratory sessions for courses such as Digital Signal Processing, Fundamentals of Image Processing, and Multimedia Processing. Furthermore, the lab can also be leveraged for certification courses and skill enhancement programs, equipping students with industry-relevant skills and credentials. To achieve this, department requires an additional of 30 kits along with other essential accessories.

Department has identified the following requirements and associated costs based on the market survey:

Sl. No.	Description		Qty	Total Amount Approx. (₹)
1.	TMS320C6748 LCDK Board and TMS320-XDS100-V3 Emulator (TI Make)		30	13,50,000/-
2.	Accessories	Wooden Enclosure	30	1,50,000/-
		Microphone & Speaker	20	
		Camera	10	
		Aux cable	20	
			Total	15.00,000/-

Hence, it is requested to consider the proposal and sanction ₹15,00,000/- towards the same.

Office Note: The budget details are as under:

1	Department	E & C Engg. Dept.
2	Budget Head	Lab. Equipment
3	Budget Allocated	₹97,20,000
4	Amount Utilized	₹35,69,767

16 Considered the application regarding Skill Lab. program submitted by HOD-E & C Engg. Dept. (Amount involved: ₹1,00,000/-)

Preamble: HOD-E & C Engg. Dept. submitted proposal regarding conducting Skill Lab. program for 4th semester E & C Engg. students in the Electric Vehicle (EV) Skill Lab offered by the ITI Government College, Belagavi. The said lab is equipped with state-of-the-art facilities provided by Tata Motors and Maruti Suzuki.

It is stated that, this program is designed to provide students with hands-on training and industry-relevant skills in EV technology, bridging the gap between academic concepts and practical applications importance for ECE Students.

1. **Industry-Relevant Learning:** Students will gain exposure to EV systems, including power electronics, battery management, and communication protocols, directly aligned with their academic curriculum.
2. **Skill Development:** Hands-on training will enhance competencies in embedded systems to enabled diagnostics, and sustainable energy technologies.
3. **Sustainability Awareness:** By engaging in EV technology, students contribute to a greener future and align with global initiatives on sustainability.
4. Students will attend workshops, hands-on training, and project-based modules focused on EV technology using the facilities provided by Tata Motors and Maruti Suzuki.

This initiative will significantly benefit our students by equipping recent trends in EV, improving their employability, and fostering innovation in the fast-evolving EV sector. ITI Government College, Belagavi charges ₹2,000 per student. The total amount required is ₹1,00,000/- (₹2,000 X50 students).
